HOME OF THE WEEK

PLAN NO. 1188-2453

OCTAGONAL ROOMS ACCENT GRAND DESIGN

A two storey entrance foyer with sweeping horseshoe-shaped staircase creates a dramatic welcome for this three bedroom home. To the right is an octagonal-shaped living room with warming fireplace. The kitchen tucked in a greenhouse bay features a centre cooking island, desk organizer area, abundant counter work space and walk-in pantry. The kitchen opens to a bright breakfast nook and large family room. Direct access from the two-car garage leads to a powder room, secondary staircase to the second level, and laundry room. The laundry room provides a spacious counter for sewing or folding clothes. A convenient laundry chute from the bedrooms eases the collection of grimy clothes.

Retire upstairs to a lavish coffered ceiling master suite which has a cozy fireplace and walk-through wardrobe. The ensuite boasts a raised whirlpool spa, twin vanity, and private shower, toilet and third basin. The two additional bedrooms share a three piece bathroom and tub. Potential for future expansion is easily accommodated in a 312 square foot bonus room. The convenient proximity of the bonus room to the secondary staircase makes the bonus room ideal for a nanny, in-law suite or media centre. The finished floor area of this design is 2,684 square feet.
