## ASTRO-GRAPH

BERNICE BEDE OSOL

Your Birthday

Nov. 7, 1990  
You might be luckier than usual in the year ahead in ventures or endeavors that require promotion and salesmanship. Your ability to successfully market your wares could be rather remarkable. **SCORPIO** (Oct. 24-Nov. 22) You'll grasp the essence of ideas today, but not necessarily their entirety. This is because your focus is likely to be on your own concept instead of on what you're being told. Scorpio, treat yourself to a birthday gift. **SAGITTARIUS** (Nov. 23-Dec. 21) This is not an especially good day to go shopping for expensive merchandise. Your desires for instant gratification could distort your value judgment. **CAPRICORN** (Dec. 22-Jan. 19) Disengage yourself from ideas or plans today about which you do not feel certain. Don't complicate your life by speeding down a road that is probably a dead-end street. **AQUARIUS** (Jan. 20-Feb. 19) In order to expedite production today you might experiment with some untested methods or procedures. Tying with the unknown could create problems for you instead of resolving them. **PISCES** (Feb. 20-March 20) When cavorting with friends today you might feel socially obligated to foot the bill instead of splitting the costs equally. Don't be stingy, but, on the other hand, be realistic. **ARIES** (March 21-April 19) There is a possibility you may be subjected to more domestic tensions than usual today. If you treat events emotionally, instead of logically, it'll contribute to everyone's discomfort. **TAURUS** (April 20-May 20) Make every effort to subdue your impulsive inclinations today. Be sure your mind is in gear before your mouth starts talking and watch out when you get behind the wheel and go buzzing around town. **GEMINI** (May 21-June 20) Today will not be devoid of financial opportunities, although they are apt to be rather elusive. If you hope to capitalize on advantageous developments, don't blink your eyes. **CANCER** (June 21-July 22) Your possibilities for succeeding in a commercial endeavor are somewhat limited today. This is because you might deliberately involve yourself with people who can't make effective contributions. **LEO** (July 23-Aug. 22) In spite of your better judgment, there is a chance today you may do something that does not serve your best interests where your career is concerned. Watch your step. **VIRGO** (Aug. 23-Sept. 22) Your friends might find you a trifle difficult to deal with today, because you may say one thing and do another. Instead of having them wonder what you'll do next, stick to your word. **LIBRA** (Sept. 23-Oct. 23) In order to fulfill meaningful objectives today, continuity of purpose is essential. If you attempt to do things in fits and starts, you'll merely have a lot of beginnings, with no endings.
