

Bruin rally falls short

After finding themselves trailing 6-0 at the end of the first period in the opening season game against Flamboro, the Bodanis Pee Wee rep hockey team looked as if their home opener was going to be a long game.

A goal by Scott Lahey, assisted by Brad Spears and David Kalbarski added some spark to the team but by the end of the second period the local club still found themselves trailing the visiting team by six goals.

Flamboro increased their lead to 9-1 early in the third period when the hometown club suddenly caught fire after an unassisted goal by Brad Spears four minutes into the final period. Two minutes later David Kotsos netted the first of a three goal effort on a pass from David Boere and Wes Burke.

Rookie Gary McNeely further narrowed the visitor's lead on a pass from Kotsos. Kevin Lumb then fed David Kotsos a neat pass and the speedy forward narrowed the visitor's lead to 9-5.

Wes Burke and David Boere combined for their second assist of the game when they fed Kotsos his third goal. This time the startled Flamboro squad responded with a goal of their own to maintain a 10-6 lead with a little over four minutes remaining.

Brad Spears reduced the visitor's lead to three goals eight seconds later on a fine solo effort.

With less than two minutes remaining, Fraser Thom whistled the puck past the Flamboro goaler after receiving a pass from David Kalbarski. Spears was instrumental in developing the play.

Unfortunately, the Flamboro team extinguished a fine rally by the Bodanis Bruins when they scored 29 second after Thom's goal.

Sunday's encounter was a rousing game with Brampton scoring the tying goal with fifty-three seconds remaining.

Andrew Craig again played a solid game in the Georgetown net and came up with several solid saves.

David Boere tied the game 1-1 in the second period assisted by Andrew Elinsky. Brad Spears put the Bodanis Bruins ahead 2-1 in the second period. Spears goal was assisted by Scott Truman.

After Brampton had tied the game 2-2 early in the third period, David Boere scored his second goal assisted by Gary McNeely and Brad Spears. The Brampton team then stormed back to tie the game in the dying seconds.

On Tuesday, Georgetown again hosted the Brampton squad which played a more aggressive and intense game.

A goal by Andrew Elinsky assisted by Wes Burke tied the game 1-1 at the end of the first period. Brampton responded with three unanswered goals to claim the 4-1 victory.

Focus on Fitness
by Laurie Burns
Exercise Physiologist

Already hibernating?

Are you active throughout the spring and summer? Do you hibernate like the bears when the first fall of snow comes?

If this is an accurate description of your physical activities, you need to change them.

You don't have to be a triathlete to reap the health benefits of regular exercise.

Even moderate exercise can significantly decrease your risks of cardiovascular disease, cancer and other illnesses, according to a landmark new study by Dr. Kenneth H. Cooper's Institute for Aerobics Research in Dallas.

Results of the first quantitative fitness study ever conducted show that people who exercise moderately reduce their risk of early death by 50 per cent.

Simply put, people who exercise just a little bit, tend to live longer. So no more 'buts' about it. Beat those winter blahs by beginning or continuing a regular exercise regime.

If you are unsure what to do, check with your physician and check with a club that provides personalized exercise programs to fit you and your body.

Exercise means an improved lifestyle and the bottom line is, it's important to your life.
