An exterior of brick, accentuated with quoining and decorative window shutters, lends a distinctive air to this 2,420 square foot three bedroom home. A sunken foyer opens to the living room, tastefully appointed with a back-to-back fireplace which also serves the family room. An elevated formal dining room overlooks the living room through French doors. The informal living space includes a spacious gourmet kitchen with skylit breakfast bay and centrally located family room. The kitchen with a centre cooking island, salad sink and abundant counter space is sure to please any cook. Two sets of sliding glass doors from the family room open to the garden patio - ideal for outdoor entertaining.
