Happenings in the Hills

P.O.W.E.R. beach party

The local environmental group Protect Our Water Environmental Resources (POWER) will hold a beach party this Saturday starting at 11 a.m. at the Acton quarry lookout point, on the Third Line and Sideroad 22.

Partygoers will be able to witness the christening of the Acton reservoir that POWER argues the quarry should be turned into instead of a dump, as is being proposed by the quarry's owner, Reclamation Systems Incorporated.

The reservoir's new name will be announced at the party.

Good Neighbor Service

The Good Neighbor Service is being operated by the Lioness Club again this year. The club is again appealing for the usual help and generosity to keep this worthy project going.

Monetary donations (which will be used to finance food for the hampers) may be sent to "Lioness Mary Tenant, 20 Chelvin Dr., Georgetown, Ontario, L7G 4P7.

I.C.E. meeting

Incineration Counteracts the Environment, (I.C.E.) will be holding a public meeting to discuss various environmental issues, Nov. 27 at 7:30 p.m. at the Holy Rosary School in Milton.

Guest speakers include local Halton Hills environmentalist Diane Vandevalk and Michael Degruchy of the Toronto group, Citizens for a Safe Environment.

Champagne brunch

The Children's Assessment and Treatment Centre in Burlington is holding a champagne brunch this Sunday to kick off their Building Fund Campaign. The event starts at noon and will be held at Tequila Willies at 3330 South Service Road in Burlington. For more information contact the Centre at 634-2347.

Craft and mug sale

Parents Without Partners (P.W.P.) is having a craft and mug sale on Saturday, November 24th, 1990 from 10:00 a.m. to 3:00 p.m. This will be held in the front lobby of the Bramalea Civic Centre.

This is a great opportunity to pick up some early Christmas presents and have some fun doing it.

St. Andrew's bazaar

Shirley Delouche helped out at the St. Andrew's United Church bazaar on Saturday by tending to the book stall. The event, which also featured a bake sale and activities for children was attended by many local residents. (Herald photo)

British/Canadian Club has Christmas spirit

By KEN BAKER

Halton Hills British/Canadian Club

For a growing number of citizens in our community, the fact that our country is suffering from a recession means more than putting off the purchase of that new TV, or taking the family out for Sunday dinner.

For single parents and those on fixed incomes and the ever-increasing number of "working poor" the effects of a recession can only mean additional stress as the upcoming holiday season approaches.

For those struggling to provide the basics of life for their loved ones the thought of Christmas meals and presents under trees are luxuries only to be dreamed about.

During this year's Georgetown Lions Club Santa Claus Parade the Halton Hills British/Canadian Club will be accepting donations of non-perishable food items as well as new unwrapped toys which will in turn be passed on to the local Salvation Army to assist in their annual food/toy drive.

Past and present British Club members as well as members of the general public are encouraged to drop off any donations, before or after the parade, at the G. Kent double-decker bus. The bus will be located at the Moore Park Plaza prior to the parade (12:30) and at the Georgetown Market Place immediately following the conclusion of the parade.

This year, more than ever before, is a time for each one of us to do our part to see that the upcoming Christmas season is filled with joy and happiness for everyone in our communities.

On behalf of the Halton Hills British/Canadian Club may I take this opportunity to wish you and yours a very Merry Christmas and a Happy and Prosperous New Year.

Christmas Special!

"I knew from my first visit to Nutri/System that the program would be effective. Everything about it made sense—great food, caring people I could lean on, light activity, even a maintenance program. They had everything I needed to lose weight and keep it off. Now, I feel younger than I have in years. If ever there was a sure thing, it was Nutri/System."
