Couple returns from Europe

By KAY WILSON

Bud and Joan Carter of Norval have returned from a month's holiday in England, France and Scotland. While in London they stayed with their daughter Janice, son-in-law Peter and grandchildren, Helen and Simon.

In France, they visited graves of World War I relatives, and some for friends. The Commonwealth War Graves Commission keeps these cemeteries in beautiful condition, and even the grave markers are like new. They also visited the Canadian War memorial at Vimy, which is the most impressive memorial they had ever seen. It is in a park of 250 acres, given to the Canadian people by the French nation. The giant memorial overlooks the Douai plain.

While in London, England, they attended the huge Remembrance day services, where over 9,000 veterans were on parade.

Babies baptized at Huttonville United Church on Nov. 18 by the Rev. Walter Beecham were Laura Emma Leigh, daughter of Larry and Robin (Oldham) Withers, Jordan Alanna, daughter of Dennis and Christine (Forth) Ostrowski, Dean Royal Salisbury, son of Blair and Theresa (Salisbury), Oldham, Cory James Lorenz, son of Verne and Sandy (Abrams) Itner, Sonja Elizabeth Rigmor, daughter of Verne and Sandy (Abrams) Itner.

Church meeting

Norval United Church Unit 1 met at the home of Agnes Miller on Nov. 15 for dessert lunch. President Dorothy McLean opened with a poem "Proof".

Following the minutes, a report of the bazaar was given to members. A thank-you was received from Tena (Laroche) Sykes for the church shower prior to her wedding. Also a thank-you from Gordon and Agnes Miller for the cut glass vase and roses, on their 50th wedding anniversary. The devotion was taken by Kay Wilson, and was on Remembrance Day. The poem "In Flander's Fields" was read, followed by the article "Honoring Fallen Comrades" by W. Steamer Emerson.

This article told the story much better than anything I could say as it involved Norval.

Steamer goes on to say, "I pass the park every day, on my walk downtown, and sometimes I stop to spend a moment or two with my old pals, whose names will once again be called on Sunday at the cenotaph". "Could they believe from here to Norval was no longer scenes of farmers haying, plowing, Holstein cows grazing on farms they knew at the Cleaves, Sinclairs, Shanes, Hughes, Emslies and Reids. No longer do kids hike to Norval, the Glen or Stewartown to play hockey."

The study was taken by Agnes Miller when she read a letter from "Old Crow" a settlement in the Yukon. She wrote about the forest fires that ravaged the area, coming within two miles, and the evacuation of everyone as well as many other facts of everyday living.

The president closed the meeting with prayer.
