

Annual Craft and Bake Sale a great success

By BETTY SOJKA

Scores upon scores of people came out to the Community Centre on Sunday, for the Annual Craft and Bake Sale. Here they found many fine items to admire and to purchase.

The vivid colors that caught your eyes upon entering the sale were exceptional. A total of 31 tables held a variety of some very ingenious crafts, as well as the old standbys such as beautifully knitted and crocheted items. A great many very talented individuals displayed their wares ranging from jewellery, folk art painting, gift baskets, woodworking, Christmas tree ornaments,

dough work, quilting, and paintings. There was something for everyone.

Draws were held to guess how many candies in a jar, and a chance to win a Christmas cake. The lunch served was a big hit with homemade chili, vegetable beef soup, and hotdogs. Dessert and snacks were sumptuous homemade pies, muffins, rice krispies, etc. Two bake tables were set up to hold all the goodies such as pies, cakes, cookies and squares.

All items were donated. Many thanks to all those numerous people who were so kind and generous to contribute. With the

bright beautiful sunny days, parents were able to leave their children in the park, where they played contently in the playground equipment. A big round of thanks go to the three chief organizers of this event, who were Mabel Hoare, Katherine French and Marlene Burnett.

These ladies spent many hours of planning, and co-ordinating to make this function highly successful. The artists and crafts people are appreciated for their participation, and for donating an article for sale at the Community Centre table. Numerous

volunteers too many to be named here in this column need to be thanked, as their pitching in lightened the load, and added to the success.

Recently the Jim Dandies attended a League Dance. It was wonderful to see all those familiar faces again. During the ceremonies, a new League trophy was presented to Marion Lumbers of the Jim Dandies. This trophy donated by Bruno Carnelos is the Vivian Bremner Memorial Award. It is to be presented yearly to the players "who best displays ability, sportsmanship, leadership and will-

ingness to help and instruct others. Congratulations also go out to Sharon Marshall who was voted the Most Valuable Player of the 1990 season for the Jim Dandies.

A beautiful sugar maple has been planted in the Jim Bailey Park in the honor of the memory of Bill Smith. The Jim Dandies donated this tree, with the hopes that bill with his outgoing personality, kind ways, and handsome face will always be remembered.

The three groups meeting this week are the U.C.W., Hall Board and the 4-H.
