

Dodge Peewees record big win

Georgetown's Mal Dodge ReMax Peewees recorded a big win over Flamboro last week. The 3-2 score was an upset of sorts as Flamboro had won two previous league games by wide margins.

Gary McNiven scored two in the first period to lead Georgetown's offense. McNiven also set the tone for the game with some clean aggressive checking.

The first goal was a nice team effort with an assist to Chris Goodhew, however, Flamboro tied the score soon after.

Georgetown came back a minute later, when Ken Armstrong got the puck ahead to McNiven, who made a smart play as he rounded the net and stuffed the puck in for his second goal.

The hitting was heavy throughout the game as wingers Stephen Markham, Mike Walinga and Keith Hunt were busy giving and taking the hits. Georgetown kept Flamboro off the sheet until the end of the first period when they got their second and last

goal.

The second period was even with both teams doing more solid hitting and Georgetown successful at killing off three penalties. Credit goes to captain Chris Corney, Trevor Crane, Rob Pilgrim, and Andy Kersale for some hard work in that department. Geoff Beauparlant was solid in goal for the first two periods.

John Moon came on for the third period and shut Flamboro out. The winning goal came early in the third period as Gary McNiven got it inside and Chris Goodhew put a perfect shot high into the net.

From there on it was nail biting time for the hometown fans as prayers were offered in the hope that the boys could hold the lead. They did come through to the delight of coaches Markham and Marcolini.

Manager Gilles Beauparlant has been very busy arranging the logistics for schedule changes to accommodate tournament play in Huntsville where the team is expecting more good results.

Tough three games for Halton Midgets

The Canada Brick Major Midget AAA Halton Hurricanes played a tough three-game schedule in four days last week, but could add only one extra point to their standings for their efforts.

On Wednesday evening, Halton were held to a 1-1 tie by the Oakville Rangers. Centreman Pat Hennenberry put the Hurricanes ahead late in the opening frame when he popped home the rebound from a Rob Laing point shot, but Oakville equalized early in the second on the power-play.

Short-handed Halton lines were required to work overtime in the third period, due to a series of penalties which effectively neutralized the locals' offensive efforts and denied the Hurricanes a victory.

In Georgetown on Friday, the Hurricanes hosted league leading Barrie and jumped to a 2-0 lead in the first on goals by Hennenberry and linemate Mike Cox with Sean Gustini assisting on both. Barrie responded with a late marker in the opening frame, then added three more, including two power-play goals in the second to take a 4-2 lead.

Cox pulled the Hurricanes within a goal in the last minute of the period on a feed from Hennenberry, but the recovery was short-lived as Barrie potted two more in as many minutes at the start of the final frame.

Halton's Joe Piazza netted the locals' only goal of the period with assists from Todd Mulley and Hennenberry. Barrie's win lifted them two points ahead of the Hurricanes in the league standings.

Halton's luck didn't improve on Saturday in Hamilton, despite a solid start which put the Hurricanes 3-0 ahead late in the second period.

Mulley opened Halton's scoring when he drilled home a short-handed goal from a steal by Rob Crowe, three minutes into the game, then assisted Piazza with the Hurricanes' second marker. Goalie Peter Downs was called on to make some tough glove saves as Hamilton pressured late in the opening period.

Hennenberry made a great solo effort in the Hamilton zone at the 10 minute mark of the second to give Halton a three goal lead. Hamilton started their comeback a minute later with a breakaway goal but the Hurricanes scored again on the power-play when Gustini converted a set-up by Crowe and Brad Amato.

Hamilton drew back to 4-2 with 14 seconds remaining in the second period, and maintained

their momentum in the final frame with three unanswered power-play goals. A very sharp Hamilton goalie was a major factor in the game, with the Hurricanes out-shooting their hosts 39-21, yet losing a 5-4 decision.
