Dear Santa,
I realize you didn't expect to receive a letter from a 29-year-old mother of two but the gift my children need for Christmas can only be gotten by a miracle.

Our boys have no home because the landlord refused to bring our home up to code so the Board of Health condemned it and we had to move out right away. My husband got layed off two weeks short of being able to collect U.I.C. I make \$300.00 every two weeks and we have no home or money for first and last months rent.

This close to Christmas, our only option for our sons to be safe and fed is to put them in a foster home because there is no aid or service to help a family stay together. We have contacted everyone from MP's to Social Services, Children's Aid to the Crisis Center and no one can help us stay together. Our sons are seven and eight and all we can give them for Christmas is being separated from their parents who love them very much.

My Christmas list for my boys is very short. I wish I could have a home so my family doesn't have to be torn apart but instead we could stay together the way it should be.

I love my sons more than life itself and this just breaks my heart.

I've tried everything and everyone I could think of to get help for us and now all I have left is to pray for a Christmas miracle.

Mrs. L Ball
P.S. Let my miracle prayer be felt for others in similar situations and my disgust for the Canadian Government for letting something like this happen with no options to help people.

Thank you
There are shelters for single parents, shelters for abused women and/or children, aid for convicts being released from jail but no aid or help for families being abused and/or neglected by the government or who fall between the huge cracks in our present system.

Dear Santa Claus...
How are things in north pole. I hope Christmas is better for you this year. How are all the rainderrers, I'll leave lots of food for them not to mention you to. I've bin OK! this year. How is Mrs. Claus? hope she feels OK! YO Santa Thank's for the wonderful gifts you gave me last year. I use the Toys sometimes. Well have a safe and a merry Christmas. Santa don't you get full after having all the milk and cookies? P.S. Santa cut down on the toy's this year please! Oh I almost forgot Tell the elvs thanks for those narilly toys. Justin DiGiacinto.

From Derrick.

My Brother Mitchell would like some toys and a red wagon. We love you. Thankyou for our presents from last year. We are thankful for every toy we get. We hope you have a nice Christmas.

Make sure Santa gets their wish list with a Letter to Santa!

Have your child write a personal letter to Santa on a white 8 1/2" x 11" sheet of paper. (Please don't make any corrections — that's what makes reading the letters so much fun!) Then send the letter postmarked no later than December 9th to

Dear Santa,
What's up? How are things going up there? I'm great! How's the wife, any kids yet? I'd only like one thing this year. That's strange huh? That thing is a pair of roller blades. You know what those are, right? I've been good this year you have to admit. I'd like roller blades more than anything in the whole world

Actually, there is one more thing, that is peace in the world. This world is getting RIDICULOUS especially Mr Brian Mulrooney. Hes really messed things up for us. He used to run us really greatly, then came Meech Lake, GST

and Oka, so that was really dumb. So come on, what do you say? Oh yeah, how are the elves? Dress warmly on Christmas Eve. I'll leave you something good to eat O.K. But don't get full. Say hi to the Mrs. for me.

P.S. Say thanks to the elves for the wickedly awesome toys last year...

P.P.S. Has Roudolphs nose burned out yet?

P.P.P.S. Roller blades are the roller skates with 3 wheels in one line. (I'm size 7 1/2).

Your pal,
Robert DiGiacinto
Mississauga.

Dear Santa
Hi! My name is Melissa and I am 3 months old. For my first Christmas I would like my two front teeth. Say Hi to Mrs. Claus and Rudolph.

Mommy and Daddy say I have been a really good girl!

Merry Xmas
Love
Melissa Coffey
