

Dec. 12, 1990

The year ahead could be a red letter one for you where your financial interests are concerned. There are indications you may derive profits in least expected ways.

**SAGITTARIUS (Nov. 23-Dec. 21)** In your commercial affairs today it could prove beneficial if you give equal credence to both your instincts and your logic. Collectively, they're a dynamic duo. Sagittarius, treat yourself to a birthday gift.

**CAPRICORN (Dec. 22-Jan. 19)** Whether the group is large or small your leadership qualities will come to the fore in your involvements with others today. All will look your way for guidance when the unexpected occurs.

**AQUARIUS (Jan. 20-Feb. 19)** Your best chances for success today will be intertwined with persons to whom you have been helpful in the past. These grateful recipients will try to aid you however they can.

**PISCES (Feb. 20-March 20)** Don't ignore any unique ideas that permeate your thoughts today regarding ways to update something you've written off as obsolete. Your ingenuity has its applications.

**ARIES (March 21-April 19)** Be attentive and prepared today, because several considerate associates may make it possible for you to accomplish something that up until now you've been unable to achieve unaided.

**TAURUS (April 20-May 20)** Don't get rattled today if you are required to make some on-the-spot decisions. You're quick witted, your judgment is keen and you'll evaluate developments accurately.

**GEMINI (May 21-June 20)** Your greatest asset today is your ability to capitalize on shifting conditions. The trends are moving in your favor, so be alert to act when you spot encouraging signals.

**CANCER (June 21-July 22)** Alliances you establish at this time have excellent chances of achieving your collective objectives. In fact, you could be luckier than usual in partnership arrangements.

**LEO (July 23-Aug. 22)** Today you might be able to kill two birds with one stone owing to the linkage between two matters of importance to you at present. Each can be satisfactorily finalized.

**VIRGO (Aug. 23-Sept. 22)** It's to your advantage to keep your social plans as flexible as possible today. There are indications something fun may unexpectedly pop up in which you'll want to participate.

**LIBRA (Sept. 23-Oct. 23)** Your financial aspects are very encouraging today and there is a strong probability you might be able to capitalize on something others have overlooked or ignored.

**SCORPIO (Oct. 24-Nov. 22)** Your agile mind gives you an edge over your contemporaries today, because you'll be able to assimilate and process information to your advantage quicker than they will.
