Major Atom road victories

By DAVE BEAVAN
Herald Special

This weekend, Star Fuels Major Atoms were on the road and came away with victories in Milton and Flamborough.

Faced with a manpower shortage, coach John Andrews brought up Stephen Gibbons for both games. Gibbons was one of the key performers on Saturday, scoring the first and last goals in a convincing 7-4 win over Milton. Assists went to Cameron Hunter, Michael Crawford and David Papadopoulos.

Papadopoulos also had a big game as he scored on a Steven Smith pass in the first period and followed that up with an unassisted effort in the second.

Andrew Beavan played a strong game and contributed two goals to the cause. Fraser Brown

rounded out the scoring when he took a pass from Beavan and rifled home a wrist shot at the end of the first period.

On Sunday, the team faced another problem when centre Allan Rasmussen couldn't play due to an injury. Defenceman Steven Smith moved up to centre and left Crawford, Hunter and Rick Clark to man the blueline. They were up to the challenge, helping their team beat Flamborough 7-1.

As for Smith, he had a great night, as he scored two goals and was a threat everytime he touched the puck. Assists went to Papadopoulos (2) and Ryan Boudreau. Papadopoulos had another big game as he scored his third goal of the weekend to go along with three assists.

Stephen Gibbons used his big

shot to score his third goal of the weekend as well, on a Fraser Brown pass. Brown kept his own scoring streak alive when he converted on passes from Gibbons and Papadopoulos.

Beavan completed the scoring as he counted his eighth and ninth goals in the past four games. Brown and Gibbons assisted on the first, and the second was an end to end effort after he had picked up a loose puck behind his own net.

Coach Andrews was much more pleased with this effort, as the boys pressed until the final buzzer and only a momentary defensive lapse cost Kevin Humeniski his shutout.

In Saturday's game, Scott Herbert was not at his sharpest but he did play well enough to record his second straight victory.

Brick Midgets take five points

Canada Brick Halton Hurricanes Midget AAA took five of six points this past week.

Play started on a peculiar note as only three Chinguacousy players showed up to play in Georgetown Tuesday.

On Thursday, Hurricanes travelled to Burlington and played a sloppy game. They were still able to come out of it with a point as they tied 5-5.

Burlington scored the only goal of the first period. Early in the second, Robbie Crowe stripped the puck from a Burlington defender and scored on a wraparound to tie the game.

An errant clearing pass by Halton's goaltender Ryan Peddie

left a Burlington defenceman with a wide open cage to make it 2-1.

With the score 3-1, the Ken Kosziwka show got into high gear as the Canada Brick forward scored four times for the Hurricanes. Kosziwka took a pass from Mike McPhail off the boards and scored to make it 3-2. He then came from behind the Burlington goal and tied the game with an unassisted marker.

Burlington took a 4-3 lead before Kosziwka assisted by Jake Mashinter and Damien Zubien knotted the score to finish the scoring in the second period.

With 9:11 remaining, Kosziwka

scored from the slot after taking a fee from McPhail behind the net to give Halton their first lead of the game. Burlington tied the game with 4:25 remaining to make the final score 5-5.

Canada Brick hosted Hamilton in Flamboro Saturday and came up with a defensive gem, winning 3-0.

Pat Hennenberry scored an unassisted goal in the first period. Hennenberry from Mulley and Mike Cox made it 2-0 early in the second.

Playing a strong game throughout, Gio Piazza scored the final goal assisted by Crowe and Sean Justini less than a minute later.
