

Easter Seal fundraising event upcoming

Superthon '91 is coming up. The Easter Seal Society's largest annual fundraising event is scheduled for Saturday-Sunday, March 2-3, with hopes for raising more than the \$3.1 million that came in last year.

"This is a fantastic event," says Peter Ely, executive director of The Easter Seal Society. "Our Easter Seal children ap-

pear on the show along with friends and family and many celebrated stars. In fact, everyone's a star and everyone has a good time. And the Superthon not only raises money, it raises awareness of the work of Easter Sales."

Ely goes on to point out that advances in modern medicine and technology, as well as the ad-

vantages of home care have all improved the lives of Easter Seal children. But it takes money. The demands increase every year.

Superthon is a 13½ hour telethon extravaganza of entertainment for everyone in every family in Ontario. Yes, it's province-wide on CBC Television and affiliated stations. And it's very much family fun with hosts Valerie Pr-

ingle (CBC Midday) and Peter Downie (Man Alive) on the provincial show, and Roger Abbott and Don Ferguson of the Royal Canadian Air Farce, masterminding the Toronto network. Executive producer is Ian Anderson.

Co-produced by The Easter Seal Society and CBC Television, the Superthon is CBC's largest annual variety production. The

local Toronto show will be telecast from the main lobby of First Canadian Place and viewers are invited there as well as to CBC Studio 7 on Mutual Street for the provincial part of the show.

"It's marathon drama," says Peter Ely, "and many people give their time and talent to help the children."

Curved brick detailing, quoining and denticulated cornice introduce this distinctive four bedroom home. Arched entry opens to a vaulted foyer, with sweeping, curved staircase and decorative planter shelf. A circle-top window floods the foyer with natural light. The spacious living room is separated from the windowed-bay dining room by pocket doors. The gourmet kitchen, with centre cooking island, walk-in pantry and long peninsula counter, adjoins the breakfast bay. Wide sliding glass doors and windows provide the breakfast bay with a 180 degree view of the back yard. The family room boasts a vaulted ceiling and built-in media centre. The den is an ideal multi-purpose room and can be used as an office or guest room. The expansive master bedroom features a walk-in closet and lavish ensuite, with whirlpool spa, twin vanity and separate toilet and shower. Decorative columns flank the whirlpool spa and bay window. The three extra bedrooms share a three-piece main bathroom, with additional vanity basin.

The finished floor area of this design is 2,812 square feet.
