

60 YEARS

OF SERVICE

From the President

On this, our 60th anniversary, I would be remiss if I did not acknowledge the contributions made by so many during the organization and subsequent growth of the Georgetown Lions Club over the past 60 years.

Thanks to the Toronto Central Lions Club who had the foresight to see the need of a Lions Club in Georgetown and their assistance in its formation.

Thanks to the twenty charter members who met in February, 1931, and had the drive and pioneer spirit to make the Georgetown Lions Club a reality.

Thanks to those past Lions, who all contributed in their own way as Lionism in Georgetown evolved to its present stature.

Thank you to the citizens of Georgetown who through the years have supported Lions activities in a most generous manner.

I believe that through innovation, hard work, persistence and enthusiasm we are meeting the challenges of an ever-changing society and will continue to do so in the future.

Thank you for joining us in celebration of our 60th anniversary, as we look to the past with pride, to the present with enthusiasm and to the future with hope.

Yours in Lionism,
Lion President
Derek Ezekiel.

Lions Club motto "We Serve"

The International Association of Lions Club is the largest single service organization in the world today with more than 36000 clubs serving community and world needs in more than 170 countries. Total membership exceeds 1,500,000.

The Lions Club of Georgetown is one of the most active member clubs of the association serving the needs of our community. Current membership in the club is 51.

The success of the Georgetown Lions Club in attracting dedicated members is that every Tuesday night is Lions Night in Georgetown.

The club meets at the Lions Hall, 42B Mill St. The meetings held on the first and third Tuesday of each month are general membership dinner meetings comprised of entertainment, guest speakers, fellowship and minimal business. The second and fourth Tuesdays are directors meetings at which all current business of the club is processed. Directors meetings are open to all members, and an average of 35 can be found at the Lions Hall on Tuesday nights.

together in service to the community, country or anywhere in the world. They can be found working together on many exciting projects.

Whether helping the needs of the community, supplying eyeglasses to Third World Countries, building schools, camps for the blind or providing fresh clean water to a community in Africa, the common goal of Lionism can be summed up in our motto "We Serve".

Library donation

In 1984 a new service was added to the Georgetown Library when the Lions Club donated \$1,500 towards the establishment of a section for the visually impaired.

This initial donation provided large print books and cassette tapes to the Library.

Lions have continued to provide support to this very popular feature of the Library for the past seven years which has several hundred books, tapes and tape players.

The latest donation to this project was \$2,500 in November, 1990.
