756 Squadron Royal

Canadian Air Cadets Report:

Joe Poirier, Chairman of the Sponsoring committee and his committee members, (who incidentally are honorary members of Branch 120) held a very well attended Crib Tournament on Saturday in the Legion Hall. The team of Sam Snow came in first.

That same evening Joe and his helpers held a Dinner and Dance. Thanks go to all who made donations to these events. It is much appreciated. Joe, the sponsoring committee and all their helpers are to be commended for their hard work and dedication to the Legion's Air Cadets. All proceeds raised go to help 756 Squadron Air Cadets to facilitate their training.

By CHARLES TUTTY Service Officers Report

The past week was a busy one processing information, which may help two of our veterans who had requested assistance from the Veterans Affairs. Completed the necessary documentation, and forwarded this to the appropriate authorities, and I trust both requests will have positive results.

My special thanks to John Narey, Ian McDonald and to Dave McNeilly for the loan of his pickup. I owe you one!

Sick Chairmans Report

Was not able to visit with Carolyn Hawkins this week, but I spoke with her over the phone. Her conditions is such that it appears she may be in Long Term Care for sometime to come. Hope to see her next week. "Hang in there Carolyn".

Did get to see Patrick McDavid, he is walking with the aid of two canes, but no dancing for a while yet "Eh Pat". Managed to visit with Bill Gibbs and although having had some stomach problems he was in good spirits, and even signed two of the cards for the personnel in the Gulf.

Hope to see Gilbert English next week, have a chat with him and have him sign a couple of the cards as well. Continuing good health to them both. Duke Wilson was taking a nap when I called in so will try and see him next week.
