A traditional exterior belies an exciting 2,538 square foot, three bedroom home. The skylit foyer spills to a vaulted ceiling living room. The floor to ceiling, arched window accentuates the high ceiling and provides a formal atmosphere for the living room. A tray ceiling, double doors to a rear patio and decorative columns from the living room distinguish the dining room. Double doors off the foyer open to a den or guest room equipped with a private entry to a full bathroom with shower. The gourmet kitchen includes a centre cooking island, pass through to the family room, angled sink under corner windows and bay window breakfast nook. The adjoining family room features a two-storey ceiling, end wall fireplace set between windows and access to the spacious rear deck.  
 Upstairs, the master bedroom has a walk-in closet, cozy sitting area tucked in a bay window and lavish ensuite with whirlpool spa and his and hers vanity. The railed gallery overlooks the foyer and family room below. The two additional bedrooms share a main bathroom with twin vanity.

 Glass fireplace enclosure a year round saver
