A covered verandah with spindles, prominent bay window and decorative woodwork adorn this charming, three bedroom, 1,880 square foot home. The vaulted foyer, which is brightly illuminated by a second level window, hosts an open railed staircase. The living room with masonry fireplace stretches the dining room. The country kitchen boasts an angled sink, corner windows with plant shelf, island preparation area and bay windowed breakfast area. The adjoining family room has a fireplace and sliding glass access to the rear patio.

Upstairs the vaulted master bedroom features a walk-in closet with plant ledge over a bay window sitting area. The sumptuous skylit ensuite features a twin vanity, shower and whirlpool spa surrounded by a glass block wall. The two additional bedrooms, one with a window seat, the other with a sitting bay, share a main bathroom.
