Birth of baby girl

Congratulations to Randy and Helen Ricci of R.R.1, Norval, on the birth of their baby girl, Lisa Ashley, 6 lb., 15 oz., at the Credit Valley Hospital, on March 4. Proud first time grandparents are Lou and Linda Ricci of R.R.1 Norval, and second time grandmother Joyce Clark of Georgetown.

W.I. meeting

Norval Women's Institute will meet at Webb's Flowers, for a tour of the greenhouse on Tuesday, March 7 at 7 p.m. Please note change of time.

World Day of Prayer

The World Day of Prayer was observed by the ladies of Norval United and Presbyterian Churches in the Norval Presbyterian Church on Friday, March 1 at 10 a.m.

The theme "On the Journey

Norval News

Together," was prepared by the Women of Kenya, and was presented by the women of both churches.

Several artifacts and an illustrated book of Kenya and its people, loaned by a lady who had been in Kenya, were interesting and helpful in understanding the customs of the people of Kenya, who are attempting to improve the quality of life by striving for more education for their children, and better use of land for increased food production.

The Women of Kenya are very involved in improving both of these projects.

Isabelle McClure welcomed the group, and readers were Reta Hamilton and Isabel McClure. Doris Sharpe played for the hymns. Dorothy McLean, Jean Dunlop, Mary Crawford and Ethel Webb also assisted with reading.

Couples club

Norval United Church Couples Club enjoyed dinner out at Yong's Restaurant, Georgetown, on Feb. 28. Following dinner they enjoyed the Georgetown's Little Theatre production of "84 Charing Cross Road."

Psychic Fair

Interest in psychics, astrologists and the power of crystals is drawing people by the thousands to psychic fairs throughout North America, and the interest is high in Guelph. "Of the ten Ontario cities that we do, Guelph is by far one of the most popular shows," says organizer Paul Fulcher. Why do people go? Fulcher says, "It's exciting and fun. People want to explore new things."

Can psychics really give answers and see things that other people can't? Fulcher responds "We have top psychics in the show, many of whom have had years of experience and training

to develop their abilities. We offer lectures and demonstrations throughout the weekend free with admission. People can observe the psychic abilities of our readers for themselves and, if they want to, they have the opportunity to develop their own."

The fair also features, for the first time, an Aura camera which photographs the energy field surrounding your body.

You will find the psychic fair at the Col. John McCrae Memorial Legion, 919 York Rd. The fair runs March 8, 9 and 10, Friday noon to 10 p.m., Saturday 11 a.m. to 10 p.m. and Sunday 11 a.m. to 7 p.m.

Local history study

By BETTY SOJKA

"Our Heritage" is the topic of this session of the 4-H Club. The group is studying local history. These studies are unique as they go beyond pioneer times, back to when Indians lived in the area. Personal family history is also being looked at. One meeting included a trip to the village cemetery where names of earlier settlers were read off the tombstones. Each member of the 4-H is responsible for completing a craft before the session's end. These crafts will be of a pioneer

nature, and could include quilting, weaving, or carving projects. Miss Lisa Sanderson is the Publicity Officer for this club.

Both the Women's Institute and the Hall Board will meet this week. The Hall Board will be finalizing fund raising projects for this year.
