## Georgetown Bowl

**Georgetown Bowl Seniors**  
Topping the scoreboard this week was David Ridley with a 780 (286) triple. Not far behind was Brian Bell 721 (273). This triple brings Brian up to a tie in the league averages with Robert Harrison.

Rounding out the scoreboard this week were Alex Bertrand 679 (257), Joe Robichaud 664 (280) and Rob Harrison 624 (257).

**Seniors Four Steps Summary**  
The senior league had some great achievements in the Four Steps to Stardom Tournament this year as they captured a gold, two silvers and saw four other attempts in this tournament.

Senior boys brought home the sole gold medal from the Zone Rounds for Georgetown. The team of Robert Harrison, Dave Ridley, Eddie Doyle, Joe Robichaud and Jason Ogden along with coach Ralph Miller are on their way to the Provincial Round on St. Patrick's Day, March 17.

In the Singles competition, Christina Lane and Brian Bell both brought second place finishes to Georgetown.

Lastly, the Seniors girls put in a good showing as they took a young team to the tournament.

# PLUMBING BOUTIQUE

**Coleman *Only Water*™ Filtration System 500\***  
WP30-1000

**Reverse Osmosis**  
Our most effective system for reducing some inorganic compounds, and unwanted tastes and odors. With *Only Water* System 500, water flows through sediment and carbon pre-filters, then is forced through an advanced thin film composite reverse osmosis membrane where contaminants are washed away. The water then flows through a post carbon filter, leaving cleaner, clearer water. What makes the *Only Water* System 500 different from other reverse osmosis systems is its many standard features. Important features such as a high performance thin film composite membrane. An in-line carbon "polishing" filter. An anti-siphoning safety faucet. An automatic shut-off to conserve water. And a large 2.7 gallon storage tank. The system also includes a TDS (Total Dissolved Solids) monitor to ensure the system is operating effectively. And unlike some reverse osmosis systems, *Only Water* System 500 works on both chlorinated and nonchlorinated water supplies. The System 500 is simple to install yourself and plumbs easily into the cold water line beneath the sink through the use of a self-piercing saddle valve, so there are no pipes to cut.

## Bantam House League

### Villa loses at Buffalo

The Georgetown Bantam Chicken Villa House League team participated in the South Buffalo March Classic hockey tournament last weekend, losing all three of their games.

All games were played at the Holiday Twin Rinks Arena and the Georgetown squad learned quickly that they were up against some talented select teams.

The first game, against London, was a learning experience for Georgetown as they lost 11-0. The coaches stressed positional play to the players, realizing the level of talent on the opposition teams and the larger ice surfaces, compared to what they are used to at the Alcott Arena.

This ice size difference was apparent between the net and boards which was similar to the European rink configurations.

Highlight of Georgetown's offense was a booming shot by Matt Deruchie which slipped past the opposition goalie but not the goal line.

Georgetown set the pace early in the game against Hamilton, but two goals in the first period

proved to be a setback. Hamilton scored four goals in the second before Duane Grier, assisted by Colin Mountain, scored the first marker of the tournament for Georgetown.

In the third, Georgetown's Andrew Marshall took a pass from Matt Brain and slipped the puck behind the opposition goal tender. On the same shift, Jim Whorley took a pass from Brain and released a low shot which eluded Hamilton's netminder. Hamilton responded with four goals in the third, taking the game 10-3.

The final game was played against Bowmanville one of the top rated teams in the tournament.

Goaltender Shawn Kelman who had played solid in the first two games stopping barrage after barrage of shots, a number of them from point blank range. However, Bowmanville won 7-0.

Coaches Mike Marshall, George Wilson, Keith Whorley and Manager Dave Grier would like to thank the parents for their support and the opportunity of working with the young men who worked hard this season.
