Norval U.C.W. Unit Two hold March meeting

The March meeting of Norval U.C.W. Unit Two, met at the home of Anne Wilson on March 13.

President Gwen Laidlaw welcomed everyone, and opened the meeting with a scripture verse from the Book of Timothy.

Members were reminded the April meeting will be an overall U.C.W. meeting, to be held April 10 at the church with all three units taking part. Our sister units have been invited, so members from Mayfield U.C.W.; the Mary Fraser Class from Grace Church, Brampton, and St. And St. Andrews U.C.W. will attend.

Guest speakers will be from "P.O.W.E.R.", the environmental group in Halton Hills.

The devotion was taken by Elaine Crawford and Phyllis Moffatt. A video was shown - "Onward Christian Soldiers", showing the effect the televangelists have on the South American people.

Lunch was served by Phyllis Moffatt and the hostess.

Soil and crop workshop

Halton Soil and Crop Workshop was held recently at Branderlea Farm, R.R. 2 Norval. Guest

speaker was George Shelswell of Guelph, who spoke on "New Chemicals for New Weeds" in our area. Also "New Safe Handling Systems", including the weed spray Atrazine, that has been taken off the market because of the pollution it caused, even in the run-off in rivers and streams, where the grass would be dead on either bank. Peter Lambrick thanked the speaker, as well as host farmer Harry for holding the Workshop. A coffee hour was enjoyed.

Granddaughter visits

Ashley Brander of Cheltenham spent a few days of the March Break with her grandparents Bill and Mae Brander of Norval.

Wedding bells

Bill and Carole Robinson of Burlington are pleased to announce the late summer wedding of their daughter Cheryl Robinson of Milton, formerly of R.R. 2 Georgetown, to Scot Brush of Norval, son of Terry and Shirley Brush of R.R. 1 Norval. The wedding took place at St. Paul's United Church, Milton on August 18, 1990. Scot and Cheryl are making their home in Milton.

Norval News

Deer spotted

Bill Brander counted nine deer one morning last week, having brunch on his wheat field. However, as he drove up the 10th Line on his tractor, almost opposite, they were up, up and away, over two wire fences, gone. Everyone of them could have been "Rudolph, the Red Nose Reindeer."

80th birthday

Congratulations to Elsie Jarvie of Norval, who celebrated her 80th birthday on March 16.

Her daughter, Lois Wesselman of California, who always comes up for her mother's birthday was there visiting for a week.

But what really surprised Elsie were the 50 or so Norval neighbors and Norval Euchre players, as well as her own neighbors who all dropped in with best wishes.

Her two sons, Doug Jarvie of Norval and Don and his wife Clara of Wasaga Beach were

there. Four of her six grandchildren attended including Debrough Ezekiel and Laurie Tunney, both of Georgetown and Steven and Rick Jarvie of Norval. David and Dale Wesselman of California were unable to attend their grandmother's party. Elsie has five great grandchildren as well.

The family served birthday cake, and a social time was enjoyed.

Florida vacation

Sid and Hillie Feikema, R. R. 1

Norval have returned from a 10 day motor trip to Florida.

Get well wishes

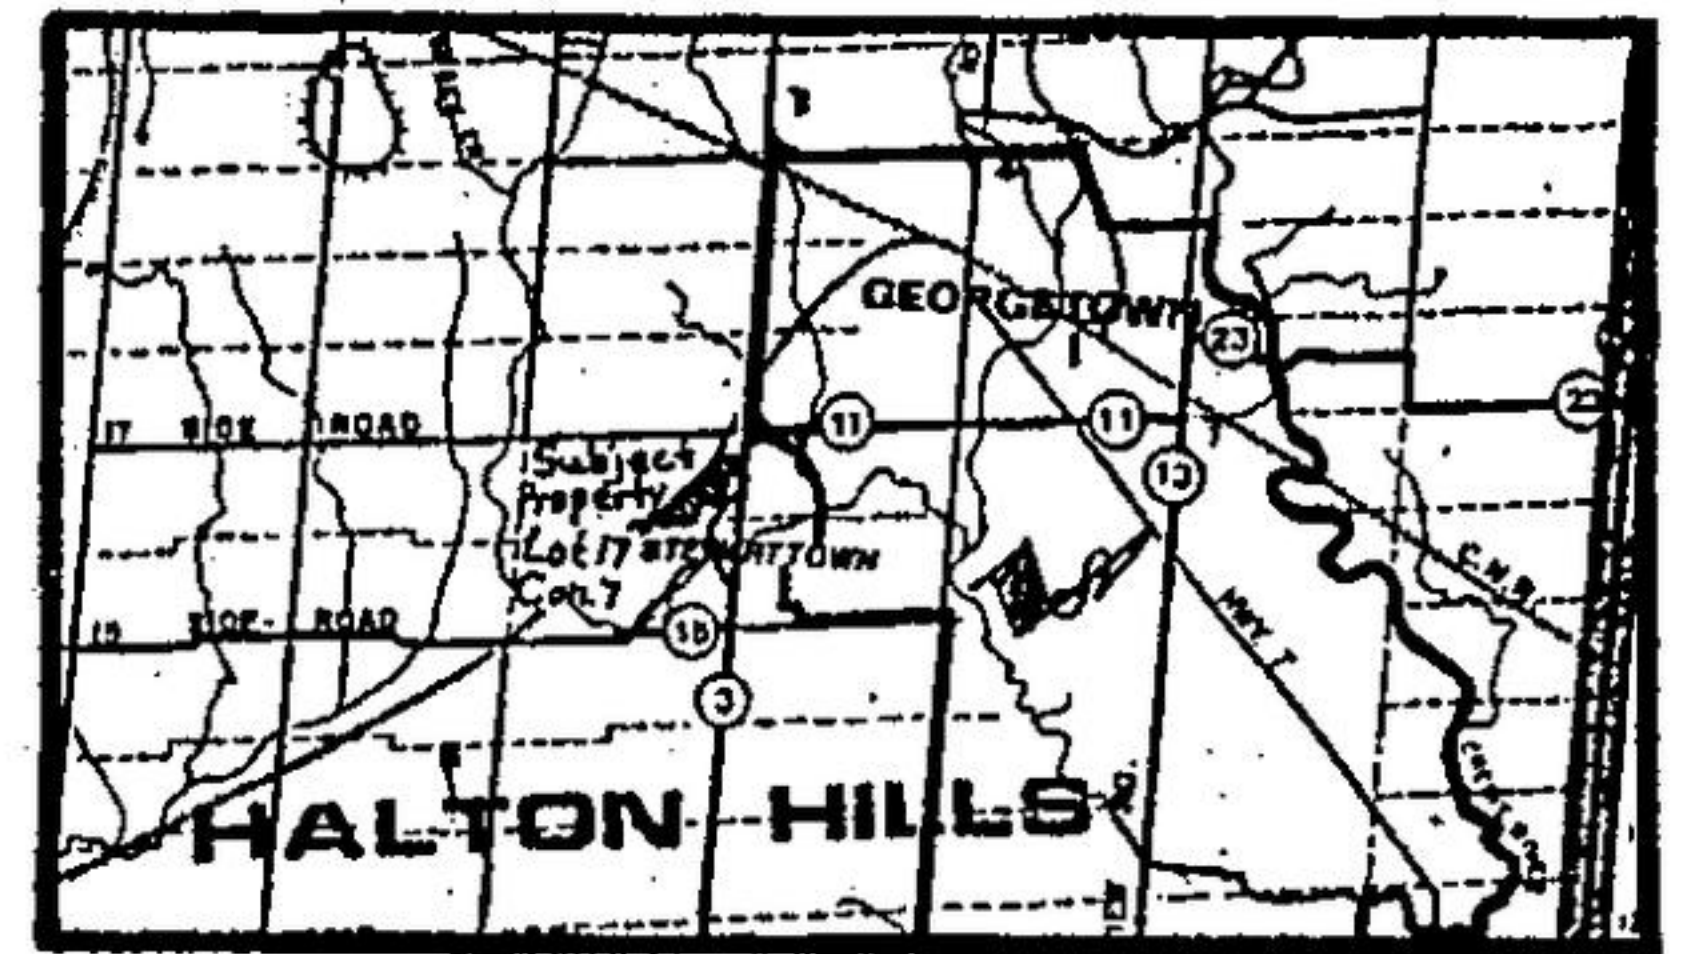

Get well wishes to Irene Goodfellow, R.R. 1 Norval, who suffered a broken arm while skiing with her grandchildren at their cottage in Huntsville.

Ballinafad News

At a recent Hall Board meeting financial budgets and forecasts, after much deliberation, were finalized. The major goal the 1991 Hall Board has is to waterproof the original part of the basement. Following that, the walls and floor have to be refurbished, and the kitchen outfitted. This section sits empty currently, unable to be used due to the water seepage.

In the Community Centre Park forecast, a soccer field is planned as well as more equipment to be added to the children's playground. Jim Bailey has repaired over 20 chairs, and will be securing material to replace several table tops. Jim is also currently tendering bids for the grass cutting requirements for the 1991 season. This contract is awarded on a yearly basis. All interested parties are to submit written quotes to Jim, who can be contacted at 877-6651 for more information. After receiving all bids, the Hall Board will decide who will receive the contract at a later meeting.

The Jim Dandies met last week at the home of Coach Jim Bailey. It was nice for the team to get together, and start making plans for the new season. Various pieces of equipment were looked at. The team will be purchasing batting helmets, sweat shirts for the cooler weather, and some catching equipment.

Elaine Bowman was named Captain for the 1991 season. June Longstreet is retiring after many years. She will be greatly missed. Schedules were handed out and the action starts for the ladies on May 7, with their first game.
