

# HOROSCOPES

MARCH 24-30

**ARIES - March 21/April 20**  
An opportunity to enter into a contract with someone is likely to present itself to you; if it appeals to you, have no hesitation in accepting it. An especially good week for introductions: People you meet for the first time will be people to see more of in the future.

**TAURUS - April 21/May 21**  
A good week for commencing affairs of the heart. Don't hesitate to give tokens of affection to the object of your affection. Romantic dinners are a good investment. Be generous and spontaneous.

**GEMINI - May 22/June 21**  
You don't need the support of other people this week — you'll make a success of anything you do on your own now. Its a very auspicious time for self-employed Geminis, a week which favors changes of any kind, so go ahead with those you have in mind. You are in an acquisitive mood, and will have fun around the shops.

**CANCER - June 22/July 22**  
Looks as though you'll be wanting to pave the way for prospective changes in domestic arrangements you have in mind and now is as good a time as any to start doing so. Lunar aspects make this a very good week for those of you who are hoping to add to professional or social status.

**LEO - July 23/August 23**  
It's a very good week for making new arrangements with friends and an equally good time for dealing with bureaucratic chores. Socially, it favors anything that will bring you in touch with clubs or societies, especially if you happen to be carrying out official duties in connection with them.

**VIRGO - August 24/Sept 22**  
This is a time to set things in motion, rather than wait for other people to do so. So take the initiative to push business interests further ahead. This is a good phase for bringing yourself to the notice of people you wish to impress. It's the right time to seek an audience with people on a higher level than yourself.

**LIBRA - September 23/Oct 23**  
Currently, influences are so much in your favor you can afford to be bold in your methods of handling matters of most importance to you. This week, prospects may take on a new aspect — especially if you're hoping to make a breakthrough into unfamiliar territory.

**SCORPIO - October 24/Nov 22**  
Diplomatic maneuvering could serve your purpose well; it's the right time for anything which requires finesse rather than forthright tactics. If carrying out responsibilities on behalf of other people, you'll handle them very capably. You are free of inner tension this week and this adds to your creative potential.

**SAGITTARIUS - Nov 23/Dec 21**  
The planetary line-up favors Sagittarians taking measures now to acquire property; this is the right time to approach a loan officer or other source for financial backing for this purpose. A good week, too, for learning. You may worry about an older relative's welfare.

**CAPRICORN - Dec 22/Jan 20**  
A congenial weekend can be spent with friends — but even among strangers you will strike up new friendships. This is a time to draw upon the energy of others; by keeping well in circulation you'll gain a new sense of vitality. Mid-week sees you coming to grips with what has to be done on a very large scale.

**AQUARIUS - January 21/Feb 18**  
Changes of one sort or another will be forced upon you now or in the next week or two. A longstanding close association with someone could be faltering now. On Tuesday (and for some days ahead) you'll be adjusting yourself to new conditions imposed upon you.

**PISCES - February 19/March 20**  
It certainly looks as though you'll be putting some of your time and energy to new and profitable account this week by taking on some form of labor which gives scope for your creative talents. You are buoyed up by enthusiasm, and want to make grand plans for the future.

## YOUR BIRTHDAY THIS WEEK

The next twelve months:

The pattern of your life is about to change, and you can say goodbye to the past in some way. For all Pisceans the coming year will be a decisive one for work, career and professional issues, and recent developments have made you aware that one personal relationship or close friendship no
