

# Halton Darts League begins playoffs

The second major championship of league play went to the last night of competition on Monday. As expected, although not guaranteed, George no. 2 won sufficient sets against Exchange no. 1 to clinch the league title.

Requiring four to win, George reigned in 13 of 14 to put the issue beyond doubt. A little tenseness was in the air for a moment or two before the match settled into a friendly affair. Challengers, McGibbon no. 1 took full points from the ladies, also expected, finishing up 11 points behind, less than the score of one match. The irony of it all for McGibbon, is that the second place team went through the season undefeated, whereas the winners lost one. League placings in darts are generally decided on total points won, rather than matches won and lost.

Third place O'Tooles no. 2 lost 6-8 to Copper Kettle no. 1, although winning the first four singles for a good lead. All power to Kettle for the comeback win. Fourth place O'Tooles won over George no. 3 by the same score, tying singles and doubles before winning both teams sets for the win.

Timeout took fifth place with the 9-5 win over Hollywood, Larry Vary again winning his singles. George no. 1 ran all over Ex-

change no. 2 by 11.3 to take seventh place, one behind O'Tooles no. 1, for whom there is no result to hand versus Copper-Kettle no. 1.

I wonder how some of the ladies managed to record scores of 191, 190 and 200 on the game sheet. Legal maximums were shot by Jeff Henderson and Greg Thomas. High scores came from Frank DeSantis, Derek Hedley, Andrea Clifford, Rob and Tony Marrows, Brad Youmans, Ian Cooper, Marty Wheeler, Jake Frank and Bill Taylor amongst several well known players.

The Halton League now turns to playoffs and teams sets were held this past Monday at O'Tooles.

The Industrial League, at the Legion, turned to playoffs mini sets, five per match, on Wednesday in double header play. High Rollers took nine out of the possible 10 points for the highest total in the first division for a good start to the campaign. Two points behind are Gasketman Cutters, Snowjacks Hustlers and Westenders. Second division leaders are Acadian Pools with maximum points. Inter County, Firemen and Taxmen follow in order.

Al Murphy shot 180 in a losing cause, Jim Franks closed 100 and Jeff Richardson finished 116. 140s came from Dennis Thorogood, Tony Kamara (?), Larry Hunt, Paul Kirby, Cam Lavers, Gord Inglis, Tim Field and Barry Sproule. Don Eady shot 130 and Ted Nelson came in with 121. Gord Bottoms with 132. Tom Elliott opened 101 and Rick Harden and Stan Rhynold each began with 100.

Playoffs continue in both leagues for the next few weeks.

The Halton Challenge took place on Sunday at the Georgetown Legion with Acton,

Glen Williams, Georgetown and Milton in competition. Acton won the mens section with a last set win over Georgetown. The ladies section was won by hosting Georgetown. Stan Rhynold, playing in Acton colors, won the high finish with 148 and the playoff for

the high score after notching a 180.

The youth section of the Halton league continues at O'Tooles on Sunday afternoons, although no reports for a week or so. Justin Penfold and Richard Henderson are the front runners in points

gathering. An idea to have an adult-youth day at the end of the season is being contemplated.

This Monday saw the opening of the Halton playoffs and next Monday will see the singles, also at O'Tooles. Then it is off to the Hollywood for the last two weeks.

## Doggone curlers

Going to the Dogs. Well not exactly, but the Dalmation rink (including a fire hydrant) wasn't just barking up a tree when it competed in the 1991 Cornelius Bonspiel staged Saturday at the North Halton Golf and Country Club's curling facilities. Members of the Dalmations included, left to right,

Brad Burgess, Jen Valois, Marie Stone and to the relief of other team members, the ever-present fire hydrant, Bob Watts. The Cornelius Trophy-winning team consisted of Jim Connolly, Karin Henderson, Jim Dowell and Donna Purcell. (Herald photo by Colin Gibson)
