Silverwood W.I. celebrates

From Silver-Wood Women's Institute
 Two parties in one day, sounds like a lot, and it was - a lot of fun. And that's just what the ladies of Silver-Wood Women's Institute like best.

The fortieth anniversary of our branch was our first cause for the celebration, held on April 6th, at the home of Mrs. Doris Lindsay. With a 12:30 start, brief welcomes were extended by our President Mrs. Beth Haines and a light lunch was enjoyed by guests from 10 branches and representatives from both the District and Area levels.

A short skit provided entertainment and highlighted the accomplishments of Silver-Wood over the past 40 years, as well as paying tribute to past and present members.

One of our members, Mrs. Pearl Burt, was focused on

throughout the play, as she was present at the very first meeting. As well as holding several executive positions, it was discovered that she had only missed approximately 15 of some 400 meetings. With such dedication we were more than pleased to present Mrs. Burt with a certificate, honoring her as a Chartered Member.

As the anniversary portion of the day was concluded, decorations were switched, as we prepared to honor another of our members. Mrs. Eva Martin was thoroughly surprised as the second part of the afternoon was dedicated to her. Though Mrs. Martin has been with us only 10 years, she has not only served as our president, but this past year has taken on the responsibility of being President for Halton District Women's Institutes.

As well as ourselves, con-

gratulations were extended from our Provincial President, Mrs. Peggy Knapp, who was unable to attend, and Provincial Board Director Mrs. Maicy Lasby, who also presented her with a small gift. Representatives from the other 10 branches in the District also offered their support and best wishes for Mrs. Martin, as well as our neighboring Districts Wellington Centre and Wellington South.

Again we would like to thank those in attendance for helping us celebrate these special occasions, and extend a special thank-you to Mrs. Glenda Benton, for providing us with such heart warming music to set the tone for a great day!

If you're interested in learning more about Women's Institutes call our President Mrs. Beth Haines 877-2636, we'd be happy to hear from you.
