Sick Chairman's Report

A welcome home to members Red Roshier and Cliff Glaude, both on the road to recovery from recent operations. I am sorry Cliff that I did not know you were in and out, the first indication that I had was last week in the branch. However better late than never with the members best wishes and a speedy recovery. Red I am sorry I missed your trip to the branch last week also, I am pleased to hear that you are getting your exercise.

Spoke again with Jeanette, and the Allen family had a pleasant surprise for Saturday. Harry was able to return home for the day. Let's hope there will be many home leaves in the near future, and continual improvement until he is home for good. As Jeanette said, they will take it one day at a time. Keep up the good work Harry.

Life's battles don't always go to the stronger or faster man, But sooner or later the man who wins

Is the man who thinks he can.

Sick Chairman,
Charles Tutty.
