McGibbon team leads Industrial Darts League

The Halton Industrial League had another good night's darts in playoff style last Monday. The current standings, with four person teams and doubles played, show rivals McGibbon no. 1 and George no. 2 at the top with only four points between them.

McGibbon lead from George and O'Tooles no. 3 and George no. 1 follow. McGibbon no. 2, the ladies, are in eighth place - obviously they like this format. Also showing well are George no. 1 and O'Tooles no. 2. Hollywood split the triumvirate hold on the top half by taking seventh place.

At least three doubles teams went 12-1 in sets and they were all in the same quarter of the draw. Some excellent darts were thrown in spite of some teams failing to field full, if any, players. Timeout, the example, only had two of their players show, which does not give much chance for the house team to obtain good results.

Individually, 180s came from Paul Kirby and Brad Youmans. Several players scored over 130. Twice in the cases of Stan Rhynold and Hunter Carroll with Dave Scutt making three. I believe Gary Rodda also shot two high scores.

Last Monday and next (29th and 6th) singles sessions will round off the season and the closeness of the standings should ensure an exciting finish. The first premises are Hollywood, so watch this space.

The Industrial League on Wednesday at the Legion has this one night of competition remaining. The First division is led by Gasketman Cutters. Cutters are five points in front of Snowjacks Hustlers with 10 points in the balance. And, the teams play for the first five against each other.

Should be quite a match with Cutters having the edge, with points in hand. Cutters gave last week's third place team a pounding with five sets wins, whereas Hustlers took four from High Rollers, who move into third spot over Westenders.

Second division leaders are Acadian Pools who took full points from Firemen. They have a two point lead over Inter County who defeated Taxmen by 4-1. The aforementioned are the leading teams in the section.

Henry Graham's 100 was the high opener in the first with Alex O'Neil opening with 106 in the second. Barry Sproule finished 104, Stan Rhynold 74 and Russ Degle 82. 140 appears to be the high score of the week. Mary Claude, and Rick Harden getting the honour. Derek Hedley twice scored 120, I won't tell how! Self shot 136, Jeff Richardson 135, Cam Herman 126 and Mike Hope 125.

Next season's committee are Jeff Richardson, president, George Powell, vice president and Joe Cairns, secretary-treasurer. The league banquet is on the first Friday in May, the 3rd, not the 5th as I wrote last week (several folks pointed out my error - shows some read this drival).

The Halton league host an adult-youth blind draw session to end the youth section for the season, a highly successful venture. The young players will get something for their efforts and the adults will receive the pleasure of their partner's company. As usual, O'Tooles provide the premises, with thanks, and it should be a fun day. The time is set for the usual 1:00 p.m. start so be early say organizers Terry Hancock and Dave Scutt.
