Sick Chairman's Report
Had a conversation with Red Roshier at the Georgetown Hospital Sunday 19th, he was ordered in apparently by his doctor as the result of earlier tests done in Credit Valley. He looked OK, but had lost some weight. Expects to be in until sometime next week. Told me to have beer

and think of him.

Harry Allen was in the branch on Saturday afternoon, and I must say he was much improved from the last time I saw him in the Hospital. He enjoyed a Coke or two and some conversation with a few of his friends, and watched the pool players for a while. He was able to negotiate the stairs into the lounge with the help of Jeanette's supporting arm, so obviously his condition is certainly on the mend. Good news eh?

Visited without late Comrade James Sherin and his wife Margaret mid week of the 6th May, and as I would be away at the Convention I thought I should pay him a visit before I left, again visited with him on Saturday. I extend my sympathy to his family.
