

IT'S THE PERFECT NIGHT TO ROB CAPITAL FORD

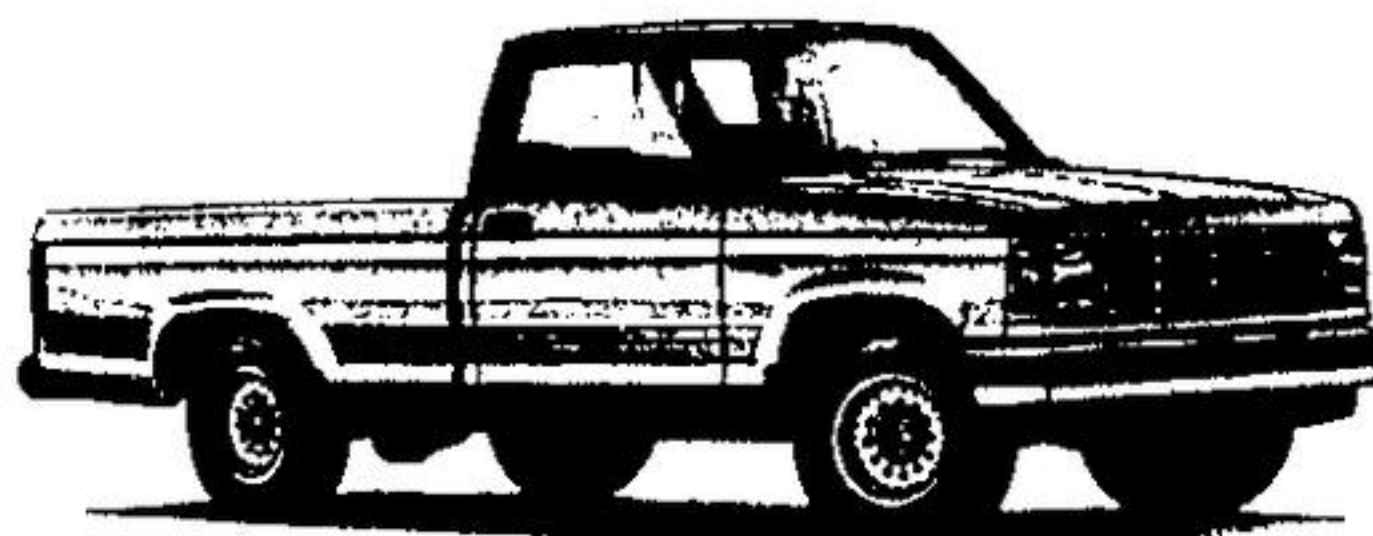

Drive past Capital Ford tonight and you may notice something a little strange. The front doors are unlocked, though the place should have been closed hours ago.

Slip inside. No one will stop you. Look around. Really case the joint. You'll see all our used vehicles and shiny new Escorts, Tempos, Probes, Mustangs, Taurus, Thunderbirds, Explorers, Rangers, Aerostars and Ford Pickups.

Just look at any windshield for prices that are almost criminal. The Midnight Madness Sale runs from morning till midnight for the next two nights, Wednesday and Thursday. Stop by. You may be surprised at what **YOU** can get away with.
