HOME OF THE WEEK

PLAN NO. 86-2859

Varying roof lines, box windows and stately brick trim grace the exterior of this four bedroom, 2,859 square foot Tudor style home. The interior, with exceptional features, offers an ideal layout that carefully separates the informal and formal living space.

A sweeping curved staircase dominates the two storey foyer. To the left is a sunken living room with bay window, masonry fireplace and adjoining dining room. The casual living area revolves around an open plan kitchen, adjoining greenhouse breakfast bay and large sunken family room with fireplace. The gourmet kitchen features a walk-in pantry, desk/organizer area and abundant counter space. The secondary access from the two car garage opens to a convenient laundry/mudroom, which includes a handy sewing centre and coat closet. A powder room and quiet den or library complete this level.

Upstairs, impressive French doors open onto a massive master bedroom. A walk-through dressing room with twin mirrored closet doors leads to a luxurious ensuite with a shower and raised whirlpool spa tucked in a windowed bay. The three additional bedrooms share a three piece bathroom with tub. The bonus room provides 262 square feet of additional space which may be finished as a game room or fifth bedroom.

Send for Canada's largest plan book with over 500 home plans, including a wide variety of architectural styles, from luxurious brick manors to affordable bungalows, only \$8.95 including shipping and GST. To order using Visa or Mastercard call toll free 1-800-663-6739 or send cheque or money order to Home of the Week, c/o The Halton Hills Herald, 382 West Broadway, Vancouver, B.C. V5Y 1R2. Trained consultants are standing by Monday to Saturday, to take your order for the plan book or plan no. 86-2859. Please feel free to request any information you may require before placing your order.

Protect your investment... inspect before you purchase.

A complete home inspection covers everything from basement to roof, including heating, plumbing, wiring, etc. It can save you thousands of dollars! As well, a detailed report will be provided upon completion of the inspection.
