

Soccer shoe sale

Rosemary Muggridge, the girls convenor for the Acton Soccer Club, holds up some of the shoes that were available at the soccer shoe sale and exchange on Saturday. The event provides an economical break for parents, who have to keep outfitting their quickly-growing children. (Herald photo)

Hatton-Placket award - Mandi Brown.

Members of the Novice precision team received a plaque for their performance at Cupid's Capers at Mount Forest where they received a Bronze Medal.

United ladies have trouble against large Brampton team

It is a pity that contract and technical problems have not allowed local sports television network, TSN, to show the Canadian Olympic, under 23, team's progress towards qualifying for the next Olympics.

The first game was shown, the win over Trinidad and Tobago by 3-0. Other results are 1-3 loss to El Salvador, and an away win in Trinidad by 3-1. The last game in the group is not until August and is against El Salvador in Vancouver.

There are three groups in our confederation of North America and Caribbean soccer regions. The winners and the best second placed team advance to a final qualifying group for the 1992 Olympics in Barcelona.

The nearest local interest in the squad may well be goalkeeper Paolo Ceccarelli who plays for North York Rockets and hails from Brampton. Hamilton Steelers provide a lone member in Defender Mark Watson. Another member of the squad is Scott Munson, a striker from

Vancouver who plays for Kitchener. The squad is made up of players all performing with CSL clubs this year.

The CSL has two teams from the West in Vancouver and Winnipeg. The other western clubs of Edmonton and Victoria, together with the London franchise, are out of the league this year. Nova Scotia, coached by former English international and Manchester United winger, Gordon Hill, are the new boys. The opening match was Sunday, with Kitchener and Blizzard in opposition. Five days later, Kitchener meet Steelers.

CRSC United ladies squad struggled against a large number of players from Brampton last week. The girls looked strong enough in goal and relied on strong running up front to challenge the visitors. This, believe it or not, is coach Haddy Smedam's tenth year with the team. As usual, the ladies first part of the season is given to non-points games before playing for playoff positions.

Inter County Meteor went to Acton last Wednesday and came away with a 3-1 victory over a young and strong home side. Meteor head the first division by goal difference over Merseyside (formerly Crown and Anchor). Merseyside handed out a 3-1 loss to Eagles with both teams having a player ejected for violent conduct. The sides were tied with 20 minutes to play before the gates opened for the home team.

United still have to manage a win or a defeat, tying both opening games. The latest was with Streetsville's Cock and Pheasant (formerly Marlin) in a non scor-

ing contest. Both teams looked to be playing good soccer on the carpet whilst I was there.

Mariners won 2-0 over Winchester, giving the team as many wins as in the past two years. The team is only in the first division as all remaining second division teams declined to move into the first to fill in the required number of entries. Mariners played well enough to win over the team, which took seven goals last year. Winchester also had a player ejected midway through the first half.

In the second division, Milton have two wins, a turnaround for this club. Away from home they defeated Celtic 2-1 in a well played match and deserved the points. Blazers and Laurentian served up a good plate of fare in Blazers 4-1 win. The visitors could not score when they had the play to advantage and the home team did. Ajax went down to Stingers 1-3 in the late game at Alcott. Gunners again lost by default to Old Triangle and the league has a problem on its hands with the new team.

Some of the soccer being played is encouraging with concentration on playing the ball through the midfield to attack and supporting the front players, reports one of the game officials. Second division teams tend to play kick and run tactics and it is pleasant to learn the difference today.

This Wednesday (today) Acton entertain Mariners and Meteors play Merseyside at Meadowglen with Blazers vs. Ajax at Alcott, all at 7:00 p.m. Cedarvale sees Eagles and Cock and Pheasant at 8:45 p.m.

Fishing derby

The third annual Great Heart Lake Fishing Derby is set for weekends in June. Adults compete to see who reels in the largest rainbow trout by weight. For children, top honors go to the angler who catches the most fish by weight in a day - excluding trout and bass.

Registration is included with Heart Lake's regular admission fee. Rules, registration and weigh-in station are at the boathouse. A fishing license is required.

Prizes for the Derby are provided by local retailers, including Heart Lake Canadian Tire, Heart Lake A and P, the Heart Lake Plaza, Video Host and Sports Unlimited in Brampton.

On June 8 and 9, Heart Lake will host a Fly Fishing and Fly Tying seminar presented by the Izzak Walton Fly Fishermen's Club. Bring your own rod and learn the techniques of fly fishing and how to tie your own flies. Instruction will be available for beginner, intermediate and advanced level fly fishermen.

Flies and fly tying equipment will be on sale at the event. Two sessions will be held each day, beginning at 10 a.m. and 1 p.m. at the Beach Building. The seminar is included with regular admission fees.

Per person general admission fees have replaced car parking fees at the Conservation Areas. The new rates are: adults \$2, seniors \$1.50, children \$1 and pre-schoolers free.

YBC Bowling

Youths wrap up season

By DEE DEE HAYNES
Herald Special

Wrapping up their bowling season and Y.B.C. careers, Georgetown Keglers Brian Bell, Dave Ridley and Eddie Doyle "smoked" the competition at the Bursary tournament, held in Ottawa May 18-20.

Qualifying first over all of the competition was Brian Bell with scores of 270, 248, 320, 219, 260, 224, 312, 234 resulting in a 2087 total. From this position, Brian moved on to a double-knock off round where he was knocked out by Kevin O'Neill 22-235 and 260-232.

Following close behind was Ed-

die Doyle who finished in a close fifth position with a 248.25 average for eight games, an amazing 1986 total! Eddie was knocked out of match play, double knock out by finalist Kevin O'Neill, when he rolled a 331 in the final game to move into fourth by eight points.

Rounding out the trio was Dave Ridley who rolled a 1744 to finish in 15th position. Dave's high game of 292 was beaten only by team-mate Bell.

Congratulations to the three men for their superb bowling prowess and for representing Georgetown Bowl in such a high fashion!

THE CORPORATION OF THE
Town of Halton Hills
1 Halton Hills Drive - P.O. Box 128
HALTON HILLS (Georgetown), Ontario L7G 5G2
873-2600

NOTICE

The Town of Halton Hills in conjunction with the Regional Municipality of Halton is currently studying the possible sites for an igloo recycling depot in the Hamlet of Glen Williams. The preferred location by Town and Region staff is the Glen Williams baseball park.

Members of the public are invited to comment or offer other suggestions, in writing only to the Town of Halton Hills, 1 Halton Hills Drive, P.O. Box 128, Halton Hills, Ontario L7G 5G2 to the attention of Paul Sargent, Refuse Reduction Coordinator. Based on the public's response, a site review will undertaken that will consider the placement of the 'igloo' recycling containers, truck access once per week for the collection of the materials, vehicle and pedestrian access and traffic safety considerations. The depot will be utilized for the collection of all acceptable Blue Box materials. These include: newspapers and their inserts, magazines, catalogues, books, glass bottles and jars, food and beverage containers, P.E.T., and old corrugated cardboard.

Written responses will be received until June 21st, 1991.
