## Friend mourned

By WENDI GOODHEW  
 Ladies Auxiliary P.R.O.

Georgetown Royal Canadian Legion Branch 120 Ladies Auxiliary wishes to extend its deepest sympathy to the family of our dear friend Jesse Bunton, who passed away June 3, 1991.

I personally was a good friend of "Aunt Jesse" the name she was known by to many in town. Jesse was a fine lady with a big heart, she was always ready and willing to help anybody. Jesse spent the last years of her life in and out of the hospital. When you went to visit, she was more concerned about how you were rather than how she was feeling.

No matter how small the gift or how simple the favor done for her, Jesse cherished each act of kindness towards her as though she'd just won a million dollars.

I remember when she received her Christmas basket from the Ladies Auxiliary while in the hospital. her first question was, "No one had to go without so I would get one, did they?" She then proceeded to figure out how she could share with her less fortunate roommates. It had made Jesse's day!
