Music sheets in hand, members from GLT, Globe, the Choral Society and the community rehearse for Operation '91. The Georgetown Hospital Benefit Show will be held June 21st and 22nd at the John Elliott Theatre. (Photo submitted)

Hospital benefits stress fun

Combine a generous dash of humor with great music and fast-paced sketches ... and what do you have? An Operation you won't forget!

Operation '91 is a light-hearted comedy and musical benefit show in celebration of Georgetown and District Memorial Hospital's 30th anniversary.

Directed by Georgetown Little Theatre (GLT) veteran Ron Hill and accompanied by the musical skills of Globe's Terry Champ, the variety show brings together performers from GLT, Globe Productions, Georgetown Choral Society and members of the community.

The 1991 revue is similar in format to the Hospital's first benefit show, Operation '62. In fact, a number of members from that first production are again lending their support to this year's production.

The two-hour show also promises attendees a number of surprises, not to mention the acting talents of some well-known local

dignitaries.

Two performances will be held June 21st and 22nd at the John Elliott Theatre. Doors open at 7:30. Curtain time is 8:00 p.m.

Tickets are only \$12.50 and are available from these locations:

- Hallmark Greetings and Gifts, 258 Guelph St., Georgetown
- Young's Pharmacy, 76 Main Street, Georgetown
- Video Ranch (Moore Park Plaza)

- Georgetown and District Memorial Hospital Auxiliary Gift Shop

- Royal LePage Real Estate, 170 Guelph St., Georgetown
- Penniesworth, 43 Main Street, Georgetown

Get your tickets soon. The Operation is about to begin!

And don't forget to mark June 23rd on your calendar. Georgetown Hospital will be officially celebrating its 30th anniversary with a community-

wide Open House to be held on Hospital grounds. Music, entertainment, child safety programs, exhibits, tours and strawberry shortcake are only some of the special things planned. It's free and it's all at Georgetown Hospital.
