

# Special Thank You from Georgetown & District Memorial Hospital

As we celebrate a milestone in our history, the Board, medical staff and support personnel of Georgetown and District Memorial Hospital would like to take this opportunity to recognize and thank our supporters - the people, organizations and agencies in our community.

A special note of gratitude goes to the Hospital Auxiliary and the more than 75 community agencies. We also want to extend our thanks to hundreds of individuals whose financial support has done much to improve the quality of care provided by Georgetown Hospital. Here's a list of some of our many supporters:
