HOME OF THE WEEK

PLAN NO. 77-1909
An inviting, covered front verandah, fieldstone exterior and dormer windows introduce this charming three bedroom country home. The foyer steps down to a large sunken living room, which extends from the front to the rear of the house and features a masonry fireplace. An efficient U-shaped kitchen with abundant counter and shelf space, adjoins a sunny breakfast room and conveniently serves the formal dining room. Sliding glass doors from the rear patio provide access to the breakfast room and living room. The main floor laundry and powder room connects the two car garage to the kitchen.
The open railed staircase from the main foyer ascends to the dormer gallery - an ideal computer station or library loft. The master bedroom features a front view dormer window, walk-in dressing room and adjoining three-piece ensuite with bath. The two additional bedrooms, each with wall closets, share a main bath with soaking tub. A spacious bonus room over the double car garage provides 377 square feet for future expansion and can easily accommodate a game room, extra bedroom or media centre.
The finished floor area of this affordable home is 2,020 square feet. Plans offer a choice of foundations, including a full basement or crawl space.
Send for Cande's largest plan book with over 500 home plans, including a wide variety of architectural styles, from luxurious brick manors to affordable bungalows, only \$8.95 including shipping and GST. To order using Visa or Mastercard call toll free 1-800-663-6739 or send cheque or money order to Home of the Week c/o The Halton Hills Herald, 382 West Broadway, Vancouver, B.C. V5Y 1R2. Trained consultants are standing by Monday to Saturday, to take your order for the plan book or plan no. 77-1909. Please feel free to request any information you may require before placing your order.
