Last week I mentioned we would discuss the Notice of Motion presented at our June General Meeting.

"Allow an increase in membership with the addition of Fraternal Affiliate members. Limited to 30 per cent of ordinary Life and associate voting and non-voting members. They are to be admitted in accordance with the General By-Laws of the Legion 101(7) June 1990 906-910. No provisions of 301-310 General By-Laws shall apply and in accordance with 60(a) - 60(d) of the Provincial By-Laws."

To simplify the motion, hereunder is the definition of the various Clauses.

By-Law 101(7) "Fraternal Affiliate" means a person who is not a member, but who is admitted as a "Fraternal Affiliate" in accordance with these By-Laws.

By-Law 906 Provincial commands shall provide for the number of Fraternal Affiliates permitted in the command in any

branch or branches expressed either numerically or as a percentage of the sum of ordinary life and associate members of the command and branches.

By-Law 907 Branches shall provide a method of discipline and control by the branch over all Fraternal Affiliates of that branch including the right of the branch executive to reprimand, suspend, or expel a Fraternal Affiliate.

By-Law 908 Affiliations will terminate on the 31st day of December following the date on which affiliation commences unless renewed by the Branch.

By-Law 909 on receipt of per capita tax, Dominion Command shall issue to each fraternal affiliate a card bearing the words "Fraternal Affiliate."
