

Ballinafad News

By BETTY SOJKA
The Recreation Committee held a meeting at the new home of Helen Lakusta. Members went over many items while planning for the upcoming Mixed 3 Pitch Baseball Tournament to be held on Aug. 10th and 11th. There are eight teams entered in the tournament. Games begin at 9:00 a.m. on the Saturday.
A Beach Party Dance is also scheduled as a fund raiser for the park on Aug. 10th. Admission cost is \$6.00 per person, with the dance beginning at 9:00 p.m. A light meal will be served later in the evening. There is also an opportunity to win a door prize. Tickets are now available at the Ballinafad General Store. Get those tickets early to avoid disappointment.
After receiving several quotes for waterproofing the basement,

the Hall Board sat down last week to analyze all the information. There were a number of differences. Step by step members drew up a quote form. This form is being sent to the contractors, for them to resubmit prices. It was a lengthy meeting, with a number of options being discussed. The Hall Board meets again in early August.
The Jim Dandies won their game last Thursday night by a large margin. With players on vacation both teams did not have a full roster. Sandra Prowse pitched a full game. Despite the high humidity and blistering heat Sandra pitched excellent. Kathleen Topolsek, and Carol Ann See were terrific in many defensive plays while also being very impressive with their batting. The ladies meet up with Club 21 Thursday, July 25th.
The July newsletter has been mailed out. Much appreciation goes out to Judith Ashby Desktop Graphic Wiz for sponsoring this edition.

Famous voyager's footsteps retraced by Acton resident

For the second year in a row, Acton resident Cliff Britton has embarked on a journey that will take him across Canada re-enacting the historical voyages of Sir Alexander McKenzie.
Mr. Britton, 31, spent the summer of 1989 paddling 3,500 km from Fort McMurray, Alberta to the Arctic Ocean, re-enacting McKenzie's first journey down the river that now bears the famous explorer's name. This summer, Mr. Britton and the rest of the 36-member expedition of Lakehead University students will travel 3,400 km from Lachine, Quebec to Winnipeg, Manitoba.
Georgetown resident, 22-year-old Don Campbell is also a member of the new entourage. This year's expedition marks

the second phase of a four-year project organized by Lakehead University in Thunder Bay. It's called the Canada Sea-to-Sea program.
Canada Sea-to-Sea participants will educate Canadians about an important part of history, while commemorating McKenzie's search for the Northwest Passage.
As the modern-day voyagers retrace his steps, they will visit more than 50 communities, presenting a historical pageant to promote the federal government stay-in-school initiative.
The historical pageant is a two-hour long program of songs, stories and dances portraying an overview of the fur trade, life as a voyageur and Alexander McKenzie. The paddling actors reveal

that, McKenzie himself discovered he was undereducated about seamanship and needed to go back to school to study astronomy and navigation before he continued on his famous voyage.

Recommendation approved

A recommendation that Halton Region continue to support and promote the concept of developing a Great Lakes Science Centre in Halton was approved by Halton Regional Council Wednesday. Councillors approved \$50,000 be spent in the pursuit of having this centre built.
