Cultural Homestay Institute (CHI) will be bringing a second group of Japanese University students to Georgetown from August 22 to September 13.

The students will be involved in English classes which Cynthia Allan will be teaching during the mornings. During the afternoon they will be touring such places as the Science Centre and Niagara Falls.

Some host families are still needed for this second group of Japanese University students. In the evenings and on weekends, host families are asked to treat the student as a member of their family, and include them in activities.

Why not try something fun and new with your family? Participate in CHI's second group of Japanese students coming to Georgetown. Contact Cynthia Allan at 877-7321.

# Norval family hosts Peel Holstein meet

By KAY WILSON

The Peel Holstein Twilight Meeting was held at the farm of Gord and Rosie, Terry and Barb and Wayne and Debbie Laidlaw and families, all of R.R.2 Norval, on Tuesday evening, July 16 at 7 p.m.

Approximately 400 people attended and about 100 of these

were children. The adults toured the stables while the children enjoyed the playground.

Terry and Wayne welcomed the local farm families and neighbours, and those visiting from other counties.

They also explained their breeding program, and discussed the class of three-year-olds which everyone later judged. The class was officially judged by Jeff Nurse of Halton County.

Many members of the Peel Holstein Club participated in the organizing of the evening. Lunch consisted of hamburgers, hot dogs, doughnuts, chocolate milk, pop and coffee, as well as prizes donated by Peel Farm

Businesses.

Entertainment was provided by Bob Vetro and his wife Mary Lou (Laidlaw) and Bob's brothers, Vince, Joe, and Mario, and was thoroughly enjoyed by all. Many thanks to all who made the night a special time.

## Get well

Get well wishes to Lou Ricci, R.R.1 Norval, who is convalescing at home following a recent three car accident at the corner of Sideroad 5 and the Tenth Line.

These country roads are dangerous now, with increased traffic, on the Ninth Line (Mountainview Rd. South at Georgetown) as it is a through road now, with stop signs on Sideroad 5, just at this one intersection.

However, all other corners are the reverse, and it confuses motorists.

Lou Ricci's truck was a write-off and Lou has been having severe headaches and neck problems ever since.

## Recent visitors

Recent visitors of Bud and Joan Carter were cousins, Lonnie and Jean Lindsey, of Albuquerque, New Mexico.

While here, they attended the Browne reunion, at the Ontario Agricultural Museum at Milton. Also, Jean and Joan attended the 50th Anniversary reunion of the Canadian Women's Army Corp in Ottawa. There were over 600 former Army girls there, one of several reunions to be held this year to celebrate the formation of the Corps in 1941. Jean and Joan were both attached to Defence Research in Ottawa during the Second World War.

## Sincere sympathy

Sincere sympathy is extended to Mary and Jack Crawford of R.R.2 Norval on the passing of Mary's mother, Mrs. Verna Somerville, who passed away at Peel Memorial Hospital on July

18, in her 90th year.

Verna Somerville, beloved wife of the late James. Loving mother of Velma and her husband Ninton Vanstone, Jean and her husband Ed Armstrong, Mary and her husband Jack Crawford, Muriel and her husband Graham Crawford, Joyce and her husband Grant Redshaw, and predeceased by her son Stanley.

Dear sister-in-law of Rosena Nixon. Predeceased by her sister Gladys Cunningham and brother Carman Nixon.

Friends were received at the Ward Funeral Home, Brampton, on Friday, July 19, 2-4 p.m. and 7-9 p.m. Funeral service in the chapel on Saturday, July 20, 1991 at 10:30 a.m. Interment in Brampton Cemetery.
