PLAN NO. 91-2253

**VAULTED CEILINGS ENHANCE FARMHOUSE**

Wrap-around verandah and extensive, rear, screened porch invites outdoor relaxation. The vaulted foyer, which is brightly lit by the second storey window, introduces the spacious living room, with French door access to the rear porch and back to back fireplace shared with the dining room, is open to the second level gallery above. The country kitchen offers abundant counter space and spacious, skylit dining area with cozy fireplace, a natural gathering spot for the family. The main level master bedroom features a skylit walk-in closet and access to both the covered porch and private deck. The master ensuite boasts a twin vanity and raised whirlpool spa.

The open railed staircase ascends to a gallery which views the living room and foyer below and connects the two additional bedrooms. Each bedroom has twin dormer windows and share a main bathroom with soaking tub.

The finished floor area of this family home is 2,262 square feet. Plans offers a choice of foundations, including a full basement or crawl space.

Send for Canada's largest plan book with over 500 home plans, including a wide variety of architectural styles, from luxurious brick manors to affordable bungalows, only \$8.95 including shipping and GST.
