VERANDAH WRAPS COUNTRY FARMHOUSE
 Railed verandah accentuated with detailed columns and distinctive window treatments characterize this four bedroom design. The vaulted foyer brightly lit by the second storey window hosts a plant ledge and open railed staircase. The living room stretches to the adjoining dining and beyond to the French doors which open to rear verandah. Decorative columns and half wall visually separate the dining room from the living room. The country kitchen features a spacious walk-in pantry, built-in desk, centre preparation island and adjoining breakfast room. An archway introduces the large family room with fireplace. A laundry chute from the bedroom upstairs and main floor laundry room eases household chores. Crosshall den with private access to a three piece bathroom can easily double as an office or guest room. Upstairs, the master bedroom hosts a walk-in closet and ensuite with his and hers vanity, raised whirlpool spa and oversized shower. The three additional bedrooms share a main bathroom with double vanity and soaking tub. The finished floor area of this charming family home is 2,782 square feet. Plans offer a choice of foundations including a full basement or crawlspace. Send for Canada's largest plan book with over 500 home plans, including a wide variety of architectural styles, from luxurious brick manors to affordable bungalows, only \$8.95 including shipping and GST. To order using Visa or Mastercard call toll free 1-800-663-6739 or send cheque or money order to Home of the Week, c/o The Halton Hills Herald, 382 V... Broadway, Vancouver, B.C. V5Y 1R2.
