Watermain approved

A recommendation for the construction of a 500 mm Watermain on Trafalgar Road in Halton Hills was passed by Halton Regional Council Wednesday.

This recommendation was given by A.F. Leitch, Commissioner of Halton Public Works. According to his report submitted to the Halton Regional Planning and Public Works Committee, the project will consist of the construction of approximately 3300 m of 500 mm diameter watermain from Maple Avenue to 22 Sideroad on Trafalgar Road in Halton Hills.

This trunk watermain will connect the 22 Sideroad Reservoir, currently under construction to the rest of the water system in order to provide improved water storage in Georgetown for purposes of fire protection, equalizing water pressure, and an emergency water reserve.

Council members approved a recommendation that the tender of Rymall Construction Inc. of Mississauga be accepted in the amount of \$1,264,230 for this project. According to the report, Rymall Construction Inc. has done similar work for Halton and is capable of completing the job.

Lucky winner

It was a good day for Peterborough resident Charlene Bridger (right) as she is presented with a 1991 Mercury Topaz GS by Georgetown's Park Lincoln-Mercury owner Walt Dixon for her hole in one during the ladies invitational golf tournament Tuesday at the North Halton Golf and Country Club. Bridger used a five wood on the 15th hole (161 yards) to cap off her hole in one, the first ever at this tournament. (Herald photo)
