LEGION WEEK IN ONTARIO
15-22 SEPTEMBER 1991
MESSAGE FROM THE DOMINION PRESIDENT.

On behalf of Dominion Command, it gives me great pleasure to bring greetings and wish all branches within Ontario Command success with their

endeavors during Legion Week in Ontario.

The activities planned by all branches are bound to have an impact within the community; it provides you, the Legion member, with the opportunity to demonstrate in a meaningful way that The Royal Canadian Legion is an integral part of the communities in which we live. At the same time, potential legionnaires have the opportunity to see the Legion in action and will, hopefully, decide to become members of our great organization.

Legion Week also provides the opportunity to actively promote Canadian unity on a province-wide basis. Legion members throughout Ontario can take advantage of this occasion to pass on our unity message and, by their enthusiasm, set an example for others in every community in which we are represented.

I am certain the week will be a source of pride for all members and the many hours of volunteer work will be repaid time and time again.

Yours fraternally,
Fred Williams
Dominion President.

LEGION WEEK MESSAGE

Legion Week - a time when Legionnaires across the province celebrate, in unison, their various achievements and contributions to their respective communities.

It is a time to remind the general public of the important place, The Royal Canadian Legion and its Auxiliaries have in our society.

Just imagine your particular area without the Legion. There would probably be no sponsor for cadet, scout, guides and other youth groups; there would be less assistance with pensions, hospital beds and senior housing for veterans; there would be less financial assistance in purchasing hospital equipment and less educational assistance programs for those studying geriatric care, etc.

Countless other important causes and programs would be sadly diminished if Legion expertise and donations were not available.

The Legion is a necessary component in today's society. Make its many facets known. Legion Week is the ideal opportunity.

If you can still march - take part in a parade. If you cannot march - line the sidewalks along the parade route, gather at the cenotaphs. Support your Legion officers, and wear your Legion uniforms, pins and your medals with pride.

Have a good week!
Yours in comradeship,
Ross A Paterson,
President Ontario Command

FROM THE PREMIER

The occasion of "Legion Week" gives us opportunity to reflect on the many good works of the Royal Canadian Legion.

The Royal Canadian Legion performs an important role in our society, providing veterans with a source of support and fellowship while reminding us all of the inhumanity of war. You can take tremendous pride in the contribution you have made to this tradition of service and to the lives of Canada's veterans.

In recent years the Royal Canadian Legion has dramatically expanded its scope of public service. We now see the Legion actively involved in many community services and charitable causes. From youth education programs to providing welfare services to ex-service personnel, the Royal Canadian Legion is an organization that reflects compassion and pride in our communities.

I am pleased to extend warm greetings to the members of the Royal Canadian Legion, Ontario Provincial Command, during Legion Week. Congratulations on your many accomplishments and good luck in the years to come.
