

# Choral Society tuning up

The summer is drawing to a close and all over town one can hear voices limbering up for what promises to be an exciting season for the Georgetown Choral Society. Director Dale Wood is eager to once again begin the inevitable process of prodding and prompting his choristers into shape for the upcoming events that are on the slate for the year that lies ahead.

Exciting plans are under way for the Christmas season which will include some innovations not undertaken before. The executive of the choir will be explaining further details very shortly for what lies ahead for Christmas.

The highlight of the year will be the hosting of the Ettens Man-

nenkoor (Men's Choir) of Holland who will be featured in a combined concert in Roy Thompson Hall in Toronto on May 29, 1992 along with the Georgetown and Achill Choral Societies. You may recall that those 2 choirs, under the direction of Mr. Wood, were in Holland as guests of the 'Mannenkoor' in the spring of 1990.

All those who are interested in joining the choir may come to the rehearsals which are every Monday evening at 7:30 p.m. at the Knox Presbyterian Church on the corner of Main and Church St. Auditions will be arranged when you come by and express your interest in becoming part of this exciting choral society. Labour Day has traditionally been the

'kickoff' practice for the choir and if you can make it in the next few weeks you will be welcomed with open arms.
