**THEY KNOW THE NEED IS GREATER THIS YEAR  
AND THEY BELIEVE IN HELPING THEIR COMMUNITY!**

## ***ALL OF OUR MANY VOLUNTEERS***

realize that during this time of economic realignment the general health of our community will determine our ability to rebound faster and more effectively. That's where **United Way** plays a critical role. The reason is simple, **United Way** is the way to help your neighbors the most.

All funds stay in **HALTON HILLS!**

Last year the **United Way of Halton Hills** helped over 15,000 people in Acton and Georgetown through the Red Cross, Meals on Wheels, Big Brothers and Big Sisters ...just to name a few of the 19 agencies it supports.

## **CAMPAIGN STARTS: SEPTEMBER 25th, 1991**

The **United Way** will be canvassing door to door in both the residential and industrial areas of Halton Hills. Thank you for your generosity.

*When we call this year Please give generously!*
