PLAN NO. 90-3822
STATELY EXTERIOR UNVEILS GRACIOUS DESIGN

The two-level, recessed entry opens to a bright foyer with a dramatic circular staircase. The formal dining room and living room, each with matching multi-paned boxed windows, flank the foyer. The gourmet kitchen, complete with a centre cooking island and walk-in pantry, offers spacious counter work space and cupboard storage. The adjoining breakfast room boasts a window seat and access to the rear covered verandah.

The main floor master bedroom is a luxurious retreat. The master bedroom features a cozy sitting area, walk-in closet and sumptuous ensuite with another walk-in closet, twin vanity and whirlpool spa. Upstairs, the three large bedrooms each have spacious walk-in closets. The second and third bedroom have direct access to a main bathroom with twin vanity and soaking tub. The expansive game room features a coffered ceiling and walk-in closet. This room could easily double as a nanny suite or media centre.

The finished floor area of this distinctive home is 3,810 square feet. Send for Canada's largest plan book with over 500 home plans, including a wide variety of architectural styles, from luxurious brick manors to affordable bungalows, only \$8.95 including shipping and GST. To order using Visa or Mastercard call toll free 1-800-663-6739 or send cheque or money order to Home of The Week, c/o The Halton Hills Herald, 382 West Broadway, Vancouver, B.C. V5Y 1R2. Trained consultants are standing by Monday to Saturday, to take your order for the plan book or plan no. 90-3822. The sunken family room spills from the breakfast room and kitchen. The family room affords a view to the rear garden through windows flanking the fireplace.
