

# Impressive start for Rebels senior volleyball

By STEVEN LeBLANC  
The Herald

While the season is still relatively young, the Georgetown Rebels senior boys volleyball team has started the season in impressive fashion and look to be solid contenders for this year's Halton championship.

This past weekend at the University of Guelph, the team took part in a 40 team tournament and placed third, out of five teams, in their pool. They advanced to the B flight semi-finals and lost a close game, 15-13, to West Elgin High School. According to coach Bob McKay,

the team played very well during this tournament, with Jer Baker and John Jickling having outstanding performances in the weekend competition.

During league competition last week, the Rebels put in solid performances in victories over E.C. Drury High School, at E.C. Drury in Milton on Sept. 16, and Acton High School, at Acton High School Sept. 18.

In both contests, the team won the first and third games of best-of-three competitions. Game stars last week for the Rebels were Ryan Brain and Matt Deruchie.

"I've been positively encouraged," explained coach McKay about his team's performance so far. "We're a relatively young team this year, five of our nine players could, in fact, still be playing junior ball. However, their development in the last three weeks has been incredible."

McKay says because the team is so young, he will try to bring them along gradually and will not make any unrealistic expectation yet.

The senior Rebels were second in Halton Region last season and won the championship the year before.

# Arnie's and Burns face off in ladies football final

By LEANNE FOURNIER  
Herald Special

The top two teams in the GLFFL will go head to head Sunday, Sept. 29th at 9:30 and only one will walk away with the glorious title of playoff champions. Both teams faced tough opponents on Sunday but Arnie's Body Shop defeated West Insurance 13-7. In the other playoff matchup, Burns Transport squeaked out a win over CIBC Chargers 23-20.

West Insurance startled Arnie's in the first contest with an early pick off by Mary McLaughlin. As West threatened early in the second to score, Carol Kovacevic picked up her teams hopes with

an interception. Kelly Cunningham pulled in both majors for Arnie's while Caroline McMillan converted on one. West came within striking distance as Kim Boismier scored and Tammy McLaughlin converted. Arnie's offence looked lethargic and Caroline McMillan lacked the precision passes she is touted for. Arnie's will have to pick it up a notch if they want to tangle with the Burns Bullfrogs.

The second matchup was as entertaining as any previous years finals. CIBC came out gunning as they marched the length of the field and scored on a Carey Brabant reception. Burns answered back with a sustained drive and a Sandra Cousens ma-

jeur. Each teams defence fell prey to a carefully planned running attack as CIBC went the distance. Noreen Atkinson caught a touchdown pass while Monica Mastelertz converted.

Denny Ursel set her frogs legs in motion as she raced for Burns second touchdown. Halftime saw CIBC with a one point lead. CIBC answered the call to take an 8 point lead with a Jackie Wickens reception and a Mastlaerz single. Burns offence looked unruffled as they moved in close and handed the ball once again to the speedster Denny Ursel. On the two point convert, Sandra Cousens made a surehanded catch to tie. CIBC would not sustain a drive late in the fourth and as a result Janet Arnold was set up for a field goal that cleared the post by inches. With only a few plays left in the game, Brenda Hamilton squashed CIBC's hopes of a field goal attempt with an interception.

The championship game pits two superb defences, against one another. Who will win? Arnie's razzle dazzle offence vs Burns predictable but unstoppable offensive machine.

Football banquet tickets are still available from Leanne Fournier. The banquet is Fri., Oct. 4. The door prize is a trip for 2 to Las Vegas.
