The guest speaker for the evening was Mr. Don Cogle and he was introduced by Gayle Laroche. Don is the chairman of the newly formed Georgetown Chapter of the diabetes association. There are 68 members of the new society. Don told us that diabetes is a killer disease. A lively discussion followed Don's speech. Don was thanked by Gayle Laroche and a donation will be sent to the new chapter in Georgetown for their use.

The devotion was presented by Marilyn Smith and Lois Reid.

The members were reminded of the following dates. On Sun-

day, Sept. 29 a recital will be held at 7:30 to hear the newly installed Allen organ. All people in the area will be invited to attend. Sunday, October 27 at 11:00 a.m. will be the church's anniversary. The guest minister will be Rev. Hugh Reid from Hamilton. We hope you'll attend.

Herald Special

Tragedy struck during the early hours of Sunday, this past weekend. A car carrying four local youths was travelling north on the Eight Line, which had just been freshly gravelled. Getting just to the 10th Sideroad, the car spun out of control, slamming into a tree, where it would lie undiscovered in the icy night time temperatures for several hours.

Dave Haskins of Georgetown survived the crash and is listed in critical condition in Toronto's Sunnybrook Hospital.

Sidney Spear of Ballinafad is listed in satisfactory condition in Georgetown and District Memorial Hospital.

Taken in the tragedy was Christine Barnes of Bramalea and Doug Gorter of Hillsburgh. Doug, a much liked and popular youth, also was the guitar player for a local band. Heartfelt sympathies go out to the families of Christine and Doug.
