FIREPLACE WARMS COUNTRY KITCHEN

Fishscale siding, shuttered windows and quaint covered porch adorn this four-bedroom, 2,086 square foot design. The vaulted foyer, brightly lit by a second storey window, opens to the living and dining rooms. The country kitchen is a natural gathering spot for the family with its fireplace and access to the covered, rear porch. The kitchen offers a step saving counter configuration and centre preparation island. The main level master bedroom boasts a walk-in closet,

private porch access and ensuite with his and hers vanity, whirlpool spa and shower. The open staircase winds to a railed gallery with dormer window - an ideal study, library or media centre. The three additional bedrooms share a main bathroom with twin vanity and soaking tub. Plans include a choice of foundations including a full basement or crawl space. Send for Canada's largest plan book with over 500 home plans, including a wide variety of architectural styles, from

luxurious brick manors to affordable bungalows, only \$8.95 including shipping and GST. To order using Visa or Mastercard call toll free 1-800-663-6739 or send cheque or money order to Home of the Week, c/o the Halton Hills Herald, 382 West Broadway, Vancouver, B.C. V5Y 1R2.
