

# SEPTEMBER 29 - OCTOBER 6, 1991 WASTE REDUCTION WEEK

## REDUCE

Start a backyard compost heap with your kitchen and yard waste - fruit and vegetable waste, egg shells, coffee grounds, leaves, grass clippings. Buy only what you will use. Buy products with as little packaging as possible.

## RE~USE

Re-use your plastic grocery bags or use a cloth bag. Many things around the house can be save and re-used - string, plastic containers, glass containers, gift wrap, shopping bags. If there are things you can't use, consider giving them to others who can.

## RECYCLE

Use your blue box to recycle newspapers, glass bottles and jars, cans and plastic soft drink containers. Place glossy magazines, books and catalogues in your blue boxes, and cardboard properly bundled.
