

# AIDS a challenge for life

"AIDS Our Challenge for Life." This is the theme for AIDS Awareness Week, October 7-13, 1991. Coordinated by the Canadian AIDS Society, AIDS Awareness Week will be promoted across Canada this year for the first time.

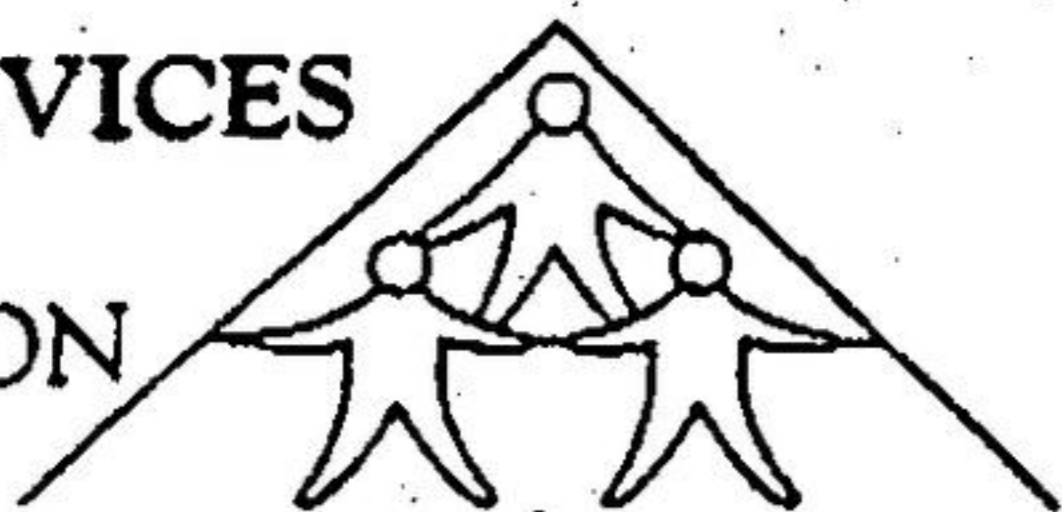

The purpose of the week is to raise public awareness that AIDS

directly or indirectly affects every person in the community. This year the AIDS Project of Halton Regional Health Department is using AIDS Awareness Week to launch their workplace campaign.

Activities planned include: (1) The proclamation of AIDS Awareness Week, October 7-13, 1991, by Mr. Peter Pomeroy.

Regional Chairman at Regional Council on October 9, 1991. (2) Five workplaces in Halton Region will host the AIDS Project Information Display for one day during AIDS Awareness Week. This display will contain posters, pamphlets and videos and will be staffed by a member of the AIDS Project staff. (3) Halton Region workplaces will receive a letter describing AIDS Awareness Week and the AIDS Project in Halton. The AIDS Project will act as a resource to workplaces wanting to provide educational materials and/or sessions to their employees. (4) The AIDS Project will participate in Sheridan College's AIDS Awareness Week activities by holding an AIDS Awareness Blitz on October 9, 1991. (5) AIDS Awareness Week information will be distributed to other workplaces in the region including schools, libraries, hospitals and community agencies.

## ACTON SOCIAL SERVICES AND INFORMATION CENTRE

### Fall food drive

With Thanksgiving approaching we expect there will again be a fall food drive. Despite efforts, many families in our community cannot afford to purchase adequate food and are forced to seek assistance throughout the year.

Should you wish to donate non-perishable food items, (such as cereals, canned fruits, vegetables, soups, powdered milk or pastas and rice) donations will be accepted at the Acton Fire Hall, 30 Bower St., Acton, and at the Georgetown Fire Hall, 53 Maple Ave., Georgetown, from 8 a.m. to 8 p.m. For more information call Acton Social Services at 853-3310.

#### EMERGENCY INFORMATION VIAL

The Halton Regional Police Service in co-operation with National Trust are introducing the Emergency Information Vial to the residents of Halton during the month of October.

The "Emergency Information Vial" is aimed at providing emergency services personnel with important medical information that could be crucial in administering aid to a victim in a medical emergency.

When you receive your vial (which looks like a pill container) you must:

1. Fill out the information sheet inside your vial which provides emergency personnel with vital information such as a current medication, hospital, references, etc.
2. Return information sheet to vial and place in refrigerator door.
3. Put sticker on outside of refrigerator. This will alert emergency personnel to pick up the vial and take it to the hospital with the patient.

You can obtain your "vial" by calling the Acton Police Station at 853-2050, or by going to the Acton or Georgetown Police Station. The Georgetown Firehall also has a supply.

Vials and assistance in completing the form can be obtained from Acton Social Services and Information Centre, 19 Willow St. N., Acton, 853-3310.

#### THE GOLDEN AGE CLUB

The Golden Age Club had their draw on September 18th. Congratulations are in order to Mary Lemon having won a beautiful quilt and to Helen Pickett won the afghan. Both winners were from Acton and will be warm and cozy this fall with their new prizes.

#### Obituary

### Arthur Hazelwood

Starting a lifetime in the printing business back in the late 1920s at the Georgetown Herald, Arthur Hazelwood died September 28 after a long illness with cancer.

The Hazelwood family will be remembered by the older residents of Georgetown - Arthur's father being greenskeeper at the Willoughby Golf Club, forerunner of North Halton. His brother Reg also learned the trade at the Herald.

Mr. Hazelwood, who was in his 78th year, worked 35 years for the Toronto Star. He was a member of the Quarter Century Club and Cosburn United Church.

He leaves his wife Mari, brother Reg and nieces and nephews.

Interment took place in Toronto Mount Pleasant Cemetery.

## ONTARIO GOVERNMENT NOTICE

### INFORMATION CENTRE

Highway 401 From Highway 410 to Trafalgar Road  
Pre-Design and Concept Study

The Ministry of Transportation is conducting a pre-design study for the section of Highway 401 between the Highway 410/403 Interchange and the vicinity of the future Mavis Road crossing (located approximately midway between First and Second Line West). Concept plans for the widening of Highway 401 from the vicinity of the future Mavis Road to Trafalgar Road are also being developed. Various widening alternatives have been studied by the ministry's Study Team to address the need for increased highway capacity. The study has involved consideration of the long term roles of all major roads in the area, including municipal arterial roads, and the ultimate freeway network.

A technically-preferred concept has been developed for the proposed 401 expansion. An Information Centre is being held to allow the public an opportunity to view the study work and the proposed preliminary design and concept plans for the Highway 401 widening, and to discuss the project with members of the ministry's Study Team. Input from residents, land owners, and other interested parties will be used in the subsequent detail design of the improvements between Highway 401/403 and the future Mavis Road, and as reference during a future Preliminary Design Study addressing the section of Highway 401 between the future Mavis Road and Trafalgar Road. These future design studies will follow a Class Environmental Assessment process, approved for highway projects of this type, and will involve further public programs and submission of Environmental Study Report(s) to the Ministry of Environment.

Please plan to attend.
