

Meteor takes Inter County Challenge Cup

By ALEX TOUGH
Herald Special

We close the season off with this short report. Meteor won the Inter County League's Challenge Cup with a resounding 4-0 win over Marlin at Syntex Park in Streetsville. The walking wounded have come out of the season on a positive note.

Merseyside won the league and playoffs in the first division. Ajax and Blazers tied the second division with Blazers winning the playoffs. Mariners must consider the season a success with third place in the league and semi-finals in playoffs after the last couple of seasons. A rip roaring pig roast in the rain finished off the year with the announcement that Eddie Weston was named as the 1992 coach.

Ajax and Blazers look as though they will be promoted to the first division with Acton Villa and Eagles or Winchester going down to the second division.

Meteor are looking for a player or two to play indoor at Soccer World in the winter months. Details may be picked up from Dave Entwistle. Mariners are going into the high school as usual on Sunday mornings for their usual conditioning, except that new coach Eddie Weston will be in charge, starting date to be advised.

In the CSL, Vancouver and Toronto are the finalists and that will be all over by the time you

read this little lot. Vancouver are favorites to win yet again and are the definite powerhouse of the league.

What chance of Gary Morrow rejoining Hamilton next season? They surely missed his steady play at the heart of defence.

All questions will be answered by this time next season, see you in the spring with another round of soccer news and views.

The Halton (pub) League meeting last week reaffirmed a few items which had seemed to cause a little confusion. Three points will be defaulted for non-attendance at the monthly meetings. The signing deadline has passed, except for any team finding itself with losses of players - where application may be made to the executive for consideration.

A reminder that food provided by the establishment owners and managers is not a right but simply a service as gestures of goodwill. No complaints please to the league or to the bars, they are out of order.

Points loss may also be applied to the failure to hand in game sheets by midnight on Tuesdays. The line ups must be presented for start of play at 8 p.m. Play is confirmed as four person teams, singles then doubles to close. A stiff reminder was issued to cut out foul and abusive language, it is not necessary.

Ian McDonald issued some tourney dates and may be obtained by contact with him. Zone dates are 24th November, 5th January and 2nd February. The league tournaments were confirmed for Sundays by a majority vote as was no play on Monday holiday nights.

No results or details are available this week. However, Bill Blackburne, a new player, and yours truly lost our doubles at the Copper Kettle to Paul Goudie and 'dummy'. The team won 10-4 over Kettle, which was a saving grace. New Georgetown team no. 3 won their first match 8-6. I believe O'Tooles no. 2 and Hollywood no. 2 are undefeated and they lead the league with 46 points each and O'Tooles no. 3 are in third place. The standings may be a little confusing for a few weeks as there is an odd number of teams in play and one team has

to sit out each week.

Paul Kirby remains the individual points leader with 66 points. Close behind are Dave Scutt and Pete Pickering. Al Murphy, Chris Scutt, Eddie Ebbinge, Stan Rhynold, Dave Nicholls and Terry Hancock are also in the top ten. There are seven 180s and twelve high finishes so far. Highest finish is 125 by Al Murphy. Team captains have been asked to keep a record of players who go through the season undefeated in singles play. There were a few players last year who did not lose and there may well be recognition for those non-losers this season.

Industrial league results are: Aces 2 - Gasketman Cutters 7; Westenders 5 - Acadian Pools 4; Steeprock 6 - Ensigns 3; High Rollers 2 - Hustlers 7 in the first division. Second division had Hotshots sitting out; Firemen 3 - Taxmen 6; Panthers 3 - Independents 6; Bandits 2 - Inter County 7.

Cutters lead the first by one point over Hustlers with Westenders several points adrift in third spot. Inter County takes over first place in the second division by one point over Panthers and Taxmen. Interestingly eight points separate first and last place in the second division and some twenty-two points separate the same places in the first division.

Aces Lloyd Westlake opened with 80, scored 135 and closed 108 to lead his team in a losing cause. Stan Rhynold opened 120, scored 140, as did Rick Harden and Jeff Richardson scored 136. Harden also closed four sets. Dennis Thorogood began with 110 and Ray Ackroyd scored 116 for Enders. Mike Finn scored 116 and started five for Pools. Hugh Smid opened three, Ian McDonald started with 120 and Marty Wheeler sneaked a 101 score. Laurie Hopkins began three and scored 121 and was supported by Al Murphy's 112 open. Rollers Rob Campbell scored 160 and Terry Hancock 140. Erwin See opened with 105, Beau Beaumont scored 140, Rob Beaumont scored 140 and 135, Ron Scarlett scored 140 as I screwed up a 45 close by hitting 6, 19 and double 9 instead of double 10 (opposite sides of the board).

Firemen were struck down by a fire call and had to forfeit a game or two and play with the 'dummy'. Gord Inglis scored 125, Marty Claude 119 and two tons. Graham Griffiths scored 102 and closed out 113 as Bruce Capriol tonned up. Griffiths had three opens and closes. Paul Kavanagh began four for Panthers and Jim Franks replied with five for Independents, one of them 116. Gord Bottoms, Jim Carter each scored a ton. Alex Bowie opened five and closed Bandits two wins. George O'Neil scored 128.
