All Panasonic microwave ovens feature the "Futurewave"™ turntable that turns food in the oven. So, you don't have to hang around the kitchen waiting to do it.

Panasonic is the world's largest manufacturer of microwave ovens. And Canada's largest selling brand. That's because Panasonic builds quality and innovation into every microwave oven they make. And that means you get perfect cooking results, every time. Most microwave oven manufacturer's cookbooks and most microwaveable food instructions all tell you - you've got to rotate the food in the oven for the best results.

So, why settle for less? We've got a complete selection of Panasonic microwave ovens to fit your cooking needs and your budget.
