TRADITIONAL OFFERS MAIN FLOOR MASTER SUITE

Varying rooflines and exterior of brick is an appealing facade for this three bedroom, 3,477 square foot design. High ceilings, archways and bold columns throughout the first storey grace this home. A series of archways visually zone the living and dining room from the foyer. An impressive coffered ceiling, bay window and built-in bookshelves flanking the fireplace adorn the living room; French doors beyond open to a covered verandah. The gourmet kitchen offering a centre preparation island, counter bar and walk-in pantry easily serves the breakfast

room and tray ceiling dining room. The den, with a vaulted ceiling, built-in bookcase, fireplace, wet bar and powder room, is an ideal office. The master bedroom boasts a coffered ceiling and French door access to the garden. The lavish ensuite has a large walk-in closet, twin vanity, raised whirlpool spa and shower. The second level offers two spacious bedrooms each with walk-in closets and share a main bathroom with separate soaking tub. Abundant storage space is available throughout this level.
